ECMLG2012-Proceedings of the 8th European Conference on Management, Leadership and Governance John

Politis,2012 Published by Academic Conferences and Publishing International Limited Edited by Professor John Politis Neapolis University Pafos Cyprus CD version of the proceedings of the 8th European Conference on Management Leadership and Governance ECMLG 2012 hosted by the Neapolis University on the 8 9 November 2012 567 pages *Inclusive and Sustainable Finance* Atul K. Shah,2022-10-25

Instead of being a means to an end finance has become an end in itself and a master of economic actions and priorities The role of ethics culture and faith has been diminished by neoliberalism over the last forty years such that we are living through a profound moral crisis rising inequality and plutocracy This practice is destroying the social and trust capital that already exists and is in need of replenishing This pioneering book draws upon diverse wisdom traditions and their current living business practices to show that not only is another world possible but it is actually hiding in plain sight The author argues that our obsession with technocratic economic science has disabled us from exposing the organic and culturally diverse practices of finance The climate and inequality crises demand new institutional and cultural solutions to transform behaviour and heal the planet Through real life examples and case studies this book illustrates and develops a new organic theory of finance which can be taught and shared all over the world helping society to prepare for a sustainable and inclusive future It provides valuable empowerment to experts and professionals from different cultures and traditions to write about their own finance practices and in turn encourage their students and communities to embrace sustainability ideals There is a global audience for this book given its multicultural outlook and the diversity of narratives and case studies from entrepreneurs to MBA students and leaders in accounting and finance It also has huge relevance for policymakers and educators keen on embracing sustainable finance in their curriculum *The Practice of Enterprise Modeling* Jolita Ralyté,Sergio España,Óscar Pastor,2015-10-27

This volume constitutes the proceedings of the 8th IFIP WG 8.1 Conference on the Practice of Enterprise Modeling held in November 2015 in Valencia Spain The PoEM conference series started in 2008 and aims to provide a forum sharing knowledge and experiences between the academic community and practitioners from industry and the public sector The 23 short papers accepted were carefully reviewed and selected from 72 submissions and are organized in eight sections on Evolving Enterprises Securing Enterprises Making Empirical Studies Investigating Enterprise Methods Acquiring User Information Managing Risks and Threats Engineering Methods and Making Decisions in Enterprises Contemporary Issues in Public Sector Accounting and Auditing Simon

Grima,Engin Boztepe,2021-01-18 Providing a comprehensive account which brings a wide range of countries to the forefront in terms of both comparability and accountability this study shines a light on the differences in accounting systems between states and fills a gap in the literature by combining these aspects of public sector accounting and auditing within a single book **Recent Trends in Social and Behaviour Sciences** Ford Lumban Gaol,Seifedine Kadry,Marie Taylor,Pak Shen
