Audrey And The Maverick:

Audrey and the Maverick Elaine Levine,2010 From rising star Levine comes a stunning new novel of the American West in which a proud rancher and a determined young woman are drawn together in the lawless town of Defiance Original

Maury Maverick Richard B. Henderson,2010-07-22 Maury Maverick was possibly the first liberal United States Congressman from Texas to achieve national and even international stature A dedicated Democrat he was ready to attack Franklin D Roosevelt whenever he felt that Roosevelt was flagging in his enthusiasm for reform He was honest to the point of rudeness and he belonged to the damn the torpedoes class that pulled ahead regardless of political consequences He was at home with the literate he was a prodigious writer and speaker but always ready to puncture their pretensions And he could cuss with sailors pecan shellers and any breed of saloon keeper Put all that together with a short stocky bulldog frame a fierce face and a voice to match and you have one of the nation s more colorful political figures [Leah and the Bounty Hunter](#)

Elaine Levine,2011-08-01 They are brash they are brave and when they see a chance to be a hero they take it They are the Men of Defiance and they are not easily tamed To Leah Morgan s mind the last thing her hometown of Defiance needs is another gunman stalking its dusty streets especially one as sweet talking and fine looking as Jace Gage Despite her warnings the infuriating man seems determined to meddle in her life and risk his own all for a town that can t be saved and a heart she locked away long ago Professional bounty hunter Jace Gage has cleaned up plenty of corrupt towns in his lifetime and he knows he can handle whatever Defiance s thugs have to offer But the town s most lawful citizen is another story Beautiful willful and exasperating at every turn Leah is the one person capable of bringing the ruthless gunslinger to his knees and capturing his desire with a single kiss A beautiful romance keeps the reader hooked from the first page to the last New York Times Bestselling Author Catherine Anderson **The Maverick's Thirty-Day Marriage** Rochelle

Women of the Depression Julia Kirk Blackwelder, 1998 Even before the Depression unemployment low wages substandard housing and poor health plagued many women in what was then one of America's poorest cities San Antonio Divided by tradition prejudice or law into three distinct communities of Mexican Americans Anglos and African Americans San Antonio women faced hardships based on their personal economic circumstances as well as their identification with a particular racial or ethnic group Women of the Depression first published in 1984 presents a unique study of life in a city whose society more nearly reflected divisions by the concept of caste rather than class Caste was conferred by identification with a particular ethnic or racial group and it defined nearly every aspect of women's lives Historian Julia Kirk Blackwelder shows that Depression era San Antonio with its majority Mexican American population its heavy dependence on tourism and light industry and its domination by an Anglo elite suffered differently as a

whole than other American cities Loss of migrant agricultural work drove thousands of Mexican Americans into the barrios on the west side of San Antonio and with the intense repatriation fervor of the 1930s the fear of deportation inhibited many Mexican Americans from seeking public or private aid The author combines excerpts from personal letters diaries and interviews with government statistics to present a collective view of discrimination and culture and the strength of both in the face of crisis Meet Me in the Orchard Carolyn Brown, 2025-08-05 You will flip for this charming small town tale Woman s World for The Sisters Caf Small town enemies to lovers romance between two headstrong property owners determined to one up each other from the queen of Southern twang herself New York Times and USA Today bestselling author Carolyn Brown Two and a half months have passed since Brodie Carter showed up in Spanish Fort Texas to meet the father who never knew he even existed Well family is family and Brodie is welcomed in once everyone gets over their shock Getting to know his seven half sisters and all their spouses has not been an easy job Add to that Audrey Ross the obnoxious sassy overbearing woman who owns the orchard next to his Between Audrey haggling Brodie to buy his property and his matchmaking Great Aunt Bernie setting him up on flop dates nothing seems to be going right And then a tornado demolishes the house Brodie and his brothers live in and everything they own At least the orchard and farm are left untouched Luckily his new family offers up rooms to Brodie and his brothers while they work to rebuild They move into the former brothel known as the Paradise and try to get on with their lives Audrey claims the storm is an omen that Brodie should sell but that s the last thing he s going to do No one boils his blood like she does and Aunt Bernie can see it Can Brodie and Audrey stop arguing over their properties long enough to realize the spark that s growing between them *The Mavericks of Devonshire and Massachusetts* Beatrix F.
