

Candidate B

1. Dear Parents,

I have been looking after your children for a week now. My first impression would be, they need to be taught discipline. They must be prepared for life. Luckily, I am here to teach them. They just at home in my hands, don't they anything about respect. Besides, they could have been doing much more useful things instead. They are obviously very naughty and disrespectful. I know it is about time to teach your children about life.

Since they must be prepared for life, I began the week with strict rules and habits. They must not waste time, there is always something to do around the house, whether it be cleaning the house or cooking dinner. I want them to be very strong and eager off day does not help either. One of it they get too excited and excited. It is very dangerous for their health. Which is why I taught all eggsy. Furthermore, I taught them to be careful about mistakes. Doing this was proved to be the right thing for the time. They were already much calmer and stopped suddenly fighting with each other, and your house is already starting to look much better now. They are not wasting their time arguing with each other.

I also thought they need to be more educated, which is why I thought up of an educational programme. My first observation is that they are not enthusiastic about it. And I find unhelpful. They also have to start having real books. Instead of reading cartoon books. They need some which teach them lessons on life. However, there is not all that should be taught, you should be happy to know they can use different words just by looking at them or even just by smell, which were very difficult tasks for them.

However, all that discipline is not enough, they still try to avoid or forget from me, but this will not happen again. I am ready for you situation. By the end of the week, they won't even think of doing so.

For the following week I have already planned everything. They will be taught the "philosophy of life", which I think is very useful. I will keep teaching them things with very strict rules so they have discipline. They don't sit the house and pretend, this way they will stop having any more bad habits. I will enforce my regulations with more severe punishments to guarantee success.

When you get home, your children will have changed. They will be more polite and respectful. They will be fully independent. Their house will be tidy and clean and when you left off.

Best Regards,
