John Morgan, 2024-09-30

Cultural Cold Wars and UNESCO in the Twentieth Century addresses the now considerable interest in the concept of cultural cold war as a means of advancing ideologies The book charts the development of the concept in the twentieth century Structured in two parts Part I considers the League of Nations idealist attempts at international intellectual cooperation It discusses also the first cultural cold war with the Communist International s attempts to advance communism It also analyses the ideological and cultural appeal of Italian fascism German national socialism and Japanese nationalist militarism and the transition from a wartime alliance to a new cold war Part II examines the renewal of international intellectual co operation through the United Nations Educational Scientific and Cultural Organization UNESCO in the context of a second cultural cold war between the

capitalist democracies and the communist bloc The book shows that UNESCO became a site of this ideological competition and an example of its tensions Based on original research and a comprehensive review of the literature including in Russian German and French the book will appeal to academics postgraduate researchers advanced undergraduates and others interested in recent international history and the comparative politics of ideas **The Junior College Library Collection**

Wukovits,2011-11-14 In 1931 nine African American teens were accused of raping two white women on a train traveling between Chattanooga and Memphis During the first trial in Scottsboro all of the defendants were tried convicted and sentenced to death despite medical evidence supporting their innocence Subsequent appeals of this verdict turned the Scottsboro case into a high profile example of the injustices that the African American community experienced at the hands of the American judicial system This informative edition takes a critical look at the story of the Scottsboro Boys and the controversial train ride that sparked outrage across the nation Subject Catalog of the Institute of Governmental Studies Library, University of California, Berkeley University of California, Berkeley.
