

The background of the image is a dramatic, somewhat dark and atmospheric scene. In the foreground, a bridge with dark metal railings and supports spans across the frame. Below the bridge, a large, intense fire or lava flow is visible, with bright yellow and orange flames. In the background, a large, ornate building with classical architectural features, including columns and decorative carvings, is visible. The overall tone is somber and dramatic, suggesting a significant event or a journey.

AT THE END OF THE AGES.....THE ABOLITION OF HELL

Bob Evelyn

At The End Of The Ages The Abolition Of Hell

**Hank VanZyderveld, REV Hank Van
Zyderveld**

At The End Of The Ages The Abolition Of Hell:

At the End of the Ages...the Abolition of Hell Bob Evely, 2003-03 Through most of our life we struggle with right and wrong good versus evil When we are not accepted on our level most of us might consider a level of change If we do change how do we go about it Do we change what we look like the way we dress act walk talk or think or do we refuse to indulge in a lifestyle that is more acceptable to those we want to please As you read this novel you will learn how far an individual might go to gain notoriety and an identity A status that seemed to be out of reach at one time but was craved until connected with the right crowd or group and given the opportunity to fulfill a fantasy **The Devil's Redemption : 2 Volumes** Michael J.

McClymond, 2018-06-05 2018 Book Award Winner The Gospel Coalition Academic Theology A Choice Outstanding Academic Title for 2019 Will all evil finally turn to good or does some evil remain stubbornly opposed to God and God's goodness Will even the devil be redeemed Addressing a theological issue of perennial interest this comprehensive book in two volumes surveys the history of Christian universalism from the second to the twenty first century and offers an interpretation of how and why universalist belief arose The author explores what the church has taught about universal salvation and hell and critiques universalism from a biblical philosophical and theological standpoint He shows that the effort to extend grace to everyone undermines the principle of grace for anyone The Gift of God Is Eternal Life Steven H. Propp, 2016-12-28

According to Christian doctrine what happens to those who have died While traditionally it has been said that one group of people spends eternity in heavenly happiness while another group experiences conscious unending torment in hell there are other Christians who believe in alternatives that hell is simply a separation from God that the lost are simply annihilated and not subject to torment or that actually in the end all will be reconciled to God and live in heavenly glory The Gift of God Is Eternal Life explores a five century journey that traces the development and dispersal of the doctrines of universalism and conditional immortality in a compelling narrative collection of short stories Beginning from when these doctrines were merely whispered about or published anonymously to the days when traveling evangelists preached them in the new and growing American republic these engaging vignettes show how this once intense debate between Christians has evolved into modern times where such ideas can be freely discussed even in mainstream television and evangelism Do infants who die prior to an age of accountability receive salvation and are those who have never heard the Christian message simply doomed What about loved ones who die without having embraced the Christian gospel or those who believe in less traditional Christian dogmas and institutions The Gift of God Is Eternal Life can help both believers and nonbelievers understand the implications of these theological perspectives not just in an afterlife but in their own lives here and now **Eternal Mysteries of Christ**

Revealed in God's Plan for You Hank VanZydveld, REV Hank Van Zydveld, 2012-02 There is something profoundly significant concerning our eternal past that not only connects us to this present time but also connects us to our eternal future This connection of past present and future is a vital key to understanding our destiny One of the most essential aspects

of God's eternal purpose for humanity can be found hidden in the precious life given to each of us by Him. The incredible complexity of our earthly existence with all of its joys, trials, tribulations, pain, and suffering is actually preparing us individually to become the fullness of God's expression through the redeeming and sanctifying work of Jesus Christ. A glorious time of restoration through reconciliation is forth coming when all the families of God will finally enjoy living in the fullness of His expression, demonstrating to all of Creation God's perfect, never failing love for all.

The Brightness Around Him Jim W. Strahan, Mike Meeker, 2015-09-22. During the 1950s a seven year old boy from a church going family in a Texas suburb has a night time vision of Jesus. In the morning he tells his parents about it. They immediately call the minister who visits that very day. Best keep it quiet, the grown ups all agree. So Jim Strahan nurtured his experience, grew in his faith and Christian character but always wondered, Why me? What was he supposed to do? Jim didn't go to seminary or start a TV ministry. He began a study of Scripture and church history, focused on the ultimate destinies of humankind, concluding that the predominant beliefs of the day were wrong. What he saw in the pages of Scripture and in the writings of many church fathers convinced Jim that Jesus will at long last save every person who ever lived on earth. Part autobiography, part advocacy, *The Brightness Around Him* is a compelling tale of walking by faith, processing a transformative spiritual experience, and fitting in at churches that don't want to hear about your deepest held biblical belief. In the end it's about how God's love will one day win it all.

The Climax of the Ages Alfred Pearson, 1923 **The Sequel to For God and for China** Stanley Peregrine Smith, 1919 Christ Triumphant Thomas Allin, 2015-06-08. I plead for the acceptance of this central truth as the great hope of the gospel: that the victory of Jesus Christ must be final and complete, i.e. that nothing can impair the power of his cross and passion to save the entire human race. Thomas Allin. In 1885 the Rev Thomas Allin waded into the debates on final punishment that had plagued the Church of England during the nineteenth century. His contribution was a radical book that sought to demonstrate that reason, tradition, and Scripture all affirm that God will one day redeem his whole creation through Jesus Christ. Universal salvation, he maintained, was the only way to coherently affirm the victory of God over evil. Allin's book is one of the first detailed attempts to show that global salvation was not some modern heresy but an ancient Christian tradition with a serious claim to catholicity and orthodoxy. Turning the tables on the critics, Allin boldly argued that universalism, far from being dangerous, was actually needed to defend the orthodox faith of the church. This new edition of Allin's classic work includes an introduction that sets it in its historical context, the addition of subtitles to help readers navigate the argument, and numerous explanatory annotations.
