An Amiable Charlatan Edward Phillips Oppenheim, 2018-05-14 *An Amiable Charlatan* by Edward Phillips Oppenheim The thing happened so suddenly that I really had very little time to make up my mind what course to adopt under somewhat singular circumstances I was seated at my favorite table against the wall on the right hand side in Stephano s restaurant with a newspaper propped up before me a glass of hock by my side and a portion of the plat du jour which happened to be chicken en casserole on the plate in front of me I was in fact halfway through dinner when without a word of warning a man who seemed to enter with a lightfooted speed that considering his size was almost incredible drew a chair toward him and took the vacant place at my table My glass of wine and my plate were moved with smooth and marvelous haste to his vicinity Under cover of the tablecloth a packet I could not tell what it contained was thrust into my hand We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience an amiable charlatan the amiable charlatan
