ASSET STUDY GUIDE

What Is ASSET?

The ASSET program is a series of short placement tests developed by America College Testing (ACT) that lets you and your school work together to help you succeed in your educational program. The ASSET is not used like a traditional test battery. There is generally no “passing score”. Rather, ASSET scores indicate areas in which you are strong and areas in which you may need help. Thus, ASSET can identify problems in major subject areas before they disrupt your educational progress, giving you the opportunity to prepare more effectively for needed courses.

You and your institution can use the scores from ASSET tests and the information from the Educational Planning Form to prepare a course of study that will be appropriate, relevant, and
