

The background of the cover is a photograph of an iceberg in the ocean. The tip of the iceberg, which is visible above the water, is jagged and covered in snow. The much larger portion of the iceberg is submerged underwater, appearing as a dark, solid mass. The sky is a clear, pale blue with some light clouds. The water is a deep blue.

19 Compelling new perspectives on corporate governance including attention to increased shareholder engagement long
term value creation and sustainability have given rise to major changes in the management of companies Yet until this book
there has been no systematic account of the legislative and soft law instruments designed to promote good corporate
governance practices across the range of sizes and types of companies The book analyses the various instruments that
legislators and others have used to promote good corporate governance in European companies and assesses their value in
practice Nineteen well known scholars of business and corporate law delve into how such issues and topics as the following
are approached across the spectrum of corporate governance instruments available in Europe corporate codes of conduct
procedural rules regulating how directors make decisions rules on board composition and remuneration regulating boards in
small and medium sized enterprises public enforcement of directors duties how digitalisation may affect implementation of
corporate governance instruments reporting rules rules on the empowerment of minority shareholders the role of the general
meeting regulation of the market for corporate control certifications rules on liability of directors and role of auditors and
accountants In its in depth analysis of the benefits and potential disadvantages of each instrument and what may be achieved
both at company level and generally this book will prove of value to all concerned with promoting responsible corporate
governance whether in business government or academia Accounting & Auditing Research Thomas R. Weirich,Alan
