Aristotelians and Platonists Luigi Morelli, 2015-11-25 At the heart of this book is Rudolf Steiners culmination in the twentieth century or the convergence of the working of Aristotelians and Platonists for the renewal of culture And questions arise Where is the whole of the School of Michael at present How can we characterize and honor one and the other stream and avoid stereotypes and misunderstandings This work approaches the matter in its historical unfolding in three successive steps in which Steiner Aristotle and Plato Schurers incarnations form a thread The first tableau opens up in the previous Age of Michael in Greece when Plato and Aristotle inaugurated the work of the two Michaelic streams The second addresses the Middle Ages and centers around the contrast between Alain de Lille and Thomas Aquinas between the School of Chartres and Scholasticism Steiners and Schurers life tasks in the nineteenth century form the prelude to the present The heart of the book and its longest section looks at the present It contrasts the working of Aristotelians and Platonists in the natural sciences in psychology and in the social sciences From the ground of extensive observation and characterization it then turns to pressing questions What can Platonists learn from Aristotelians And how about the reverse Starting from the example of individuals meeting across the streams how can we extend this understanding so that it becomes an ongoing practice and a cultural concern How can Michaelic individuals and institutions work in ways that honor the whole of the Michaelic movement

Bach flower remedies ,1993 **You Are a Frequency** Debbie Anne Sellwood, 2024-03-29 A transformation in human consciousness is taking place And it s generating a growing interest in how subtle elements of the human constitution play a part in the maintenance of our health and wellbeing You Are a Frequency introduces a new paradigm for health and healing based on the whole person not the physical body on which traditional medicine focuses In this book Debbie Sellwood describes the human being s various energy systems indicating that everything animal vegetable and mineral has its own unique vibration She explains how these energy bodies influence our health and wellbeing that the physical body is a medium for the consciousness of the energy bodies You Are a Frequency explains that how we perceive and react to life events determine what experiences we attract into our lives including health Our reactions also impact the frequency of our vibrations and by raising our vibrations we become more empowered able to take responsibility for ourselves It is the author s belief that understanding ourselves as energetic beings will ultimately inspire a future health paradigm and lead to the transformation of the medical system This book will appeal to the increasing

number of people who are aware of a spiritual component to their existence who want to understand who they really are and their potential at a more holistic level The times in which we live are causing us to acknowledge that there is more to life and to ourselves than meets the eye you are more than you think Sacred Plant Initiations Carole Guyett,2015-03-16 A practical guide to connecting with plants through ceremony Explains how to commune with plants and their spirits through the traditional shamanic method of plant dieting to receive their teachings and guidance Details 8 ceremonial plant initiations centered on common easily recognized plants and trees such as primrose dandelion oak and dog rose Provides instructions to develop your own sacred plant initiations and make ceremonial plant elixirs Includes four audio journeys to facilitate plant initiations In this guide to sacred plant initiations medical herbalist and shamanic practitioner Carole Guyett explains how to commune with plants and their spirits through the traditional shamanic method of plant dieting A plant diet involves ingesting a particular plant over a period of time so you regularly receive the plant s vibratory energy as well as its medicinal actions Adding a ceremonial element to plant dieting offers a sacred initiation by the plant world allowing you to connect deeply with all aspects of a plant receive its sacred teachings and forge a relationship for guidance and healing benefitting both yourself and others Each of the eight ceremonial plant initiations detailed in the book was personally developed by the author through extensive work with her ceremonial groups They each center on an easily recognized plant or tree such as primrose dandelion oak and dog rose These common plants have powerful teachings and healing guidance to share with those who communicate with and honor them The initiations for both individuals and groups work with the Wheel of the Year honoring each plant s sacred timing and connecting with one of the eight Celtic and Pre Celtic Fire Festivals the solstices equinoxes and the holy days of Beltane Lughnasadh Samhain and Imbolc Offering practical instructions so you can develop your own sacred plant initiations the author also include access to 4 audio journeys to facilitate the initiations in the book She also explains how to make plant elixirs for use in plant diets and for healing She shows how connecting with plants allows us to deepen our relationship with Nature access higher levels of consciousness and spiritual realms and facilitate the full flowering of human potential The Essence Practitioner Sue Lilly,2014-12-21 This book is a systematic explanation of flower and other types of essences how they are made how they are used and how to choose what is needed From the basic elements of an essence the book takes us through the worldwide blossoming of the work of Dr Bach from the 1920s to today s pioneers of essences made from sound and images
