Bad Blood Bastille Lyrics:

The Insane God Jay Hartlove, 2022-05-01 Nightmare on Elm Street meets The Stand Kirkus Reviews A meteorite fragment cures a teenaged trans girl's schizophrenia but leaves her with visions of ancient warring gods annihilating each other in space As the Earth hurtles toward the cloud that is the shattered bodies of those eternal enemies their eons old conflict is rekindled on Earth to divide and destroy humanity Can she and her brother stop the spread of global disaster The Intertextuality and Intermediality of the Anglophone Popular Song Michael Ingham, 2022-09-07 Popular song is a liminal hybrid form of cultural production As a manifestation of adaptation studies it has lacked visibility by comparison with more dominant adaptation practices especially those for the screen This book serves to fill this gap It investigates what songwriters read and write before they start singing showing that they need either to adapt material from existing sources or write their own lyrics drawn from a wide range of source texts and personal experiences They are subject to myriad influences and among these are other song lyrics poems novels plays films and hybrid cultural forms This deep structure intertextuality is embedded in the cultural flux of language and operates at both conscious and subconscious levels This book thus explores the complex and multifarious intertextual connections between popular songs of various genres styles and eras and literary works including but by no means limited to the Bible and Shakespeare As such it offers a valuable resource by exploring the deep intertextual significance of literary source material for the intellectual and emotional diversity that can be found in the popular song form the inverse reciprocal relationship while much less common is also considered in the study
