Beyond the Night Nadine Farghaly,2015-09-04 Werewolves witches vampires demons gods zombies and shape shifters these are just a few examples of the monstrous that society is confronted with Most people have some knowledge about these creatures and have had fleeting contact with ghosts fairies vampires and goblins either in their imagination or while reading watching or interacting with other people whether in reality or the online world From Beowulf and Buffy to Freddy Krueger and Frankenstein s Monster this collection highlights different aspects of the monstrous and discusses various ways in which they can be read discussed and understood What does the mother in Beowulf really represent How can the character of Zoey Redbird really be understood What is the importance of memories in Buffy the Vampire Slayer And what should we make of Terry Pratchett s undead creatures And what role does the children friendly vampire play Beyond the Night offers a range of insights into these topics as well as many more It presents the reader with a vast array of old and new creatures in popular culture analysing the significance they have for wider society This collection will also help readers to understand their favourite monsters better in relation to questions concerning sexuality gender social change and otherness

Moving Mountains Raymont L. Anderson,2012-05 In life everyone at some time or another will experience what is commonly referred to as problems Moving Mountains is a manual of sorts to assist people in the removal of life s problems This removal process occurs by first looking at some commonly held beliefs and ideas held by our society Secondly this removal occurs by realizing that a shift in perception is needed As the reader continues to read and walk through the journey laid out in the pages of the book the task of noticing and in time changing existing paradigms will become the number one mission This mission allows the reader to realize that the mountains in life problems challenges issues and traumas are blessings that can be used as stepping stones to greater awareness and increase one s ability to live a sacred life The book guides the reader through the process of personal transformation by challenging what is believed and what the reader feels is known with various ideas and

concepts that the author has found over years of study to be of immeasurable value and use so that the mountains can be moved just as Jesus the Christ said in Matthew 17 20 if you have faith as small as a mustard seed you can say to this mountain Move from here to there and it will move Nothing will be impossible for you **Roses in December** Jody Lynn Allen, 2025-01-28 The inspiring chronicle of a Black community in Virginia fighting for civil rights over the course of a pivotal century *Roses in December* is a story of strength courage and beauty found in difficult times and the most challenging of circumstances Beginning in the era of Reconstruction and ending with desegregation Jody Lynn Allen chronicles the lives of newly freed people and their descendants in Hanover County Virginia providing an unprecedented look at rural Black Virginians resilience after disfranchisement In the century between 1865 and 1965 Black residents of Hanover County embraced liberty as they organized for education employment and religious freedom and built a community that flourished in the face of white retrenchment and day to day oppression In this at times poignant at times funny and always powerful book Allen s attention to local community level history offers an overlooked yet vital perspective of the civil rights movement in the rural South **Louisa May Alcott** Harriet Reisen, 2010-10-25 PBS and HBO documentary scriptwriter Harriet Reisen reveals the extraordinary woman behind the beloved American classic as never before Louisa May Alcott is the perfect gift for fans of *Little Women* and of Greta Gerwig s adaptation starring Meryl Streep Emma Watson and Saoirse Ronan At last Louisa May Alcott has the biography that admirers of *Little Women* might have hoped for The Wall Street Journal s 10 Best Books of the Year A fresh modern take on the remarkable Louisa May Alcott Harriet Reisen s vivid biography explores the author s life in the context of her works many of which are to some extent autobiographical Although Alcott secretly wrote pulp fiction harbored radical abolitionist views and served as a Civil War nurse her novels went on to sell more copies than those of Herman Melville and Henry James Stories and details culled from Alcott s journals together with revealing letters to family friends and publishers plus recollections of her famous contemporaries provide the basis for this lively account of the author s classic rags to riches tale
