The Pigheaded Soul Jason Guriel,2013-12-03 The Pigheaded Soul presents a series of witty intelligent and sometimes controversial essays in which talented newcomers and avowed masters alike find themselves within the literary crosshairs of acclaimed poet and critic Jason Guriel Guriel does not shy away from the negative review nor does he begrudge praise where praise is due He applauds the innovative and evocative rails against the lazy and the imprecise and critiques the hipster mentality of so called avant gardists who use the same tired tricks as shortcuts to perceived innovation But far from providing only reviews and critical readings The Pigheaded Soul serves up amusing insider anecdotes about the poetry community from intelligent examinations of inspiration and imagination to gonzo reportage of high profile and occasionally absurd literary events Wry engaging and astute Guriel writes with a confidence and panache that enlivens the often dry and dusty field of literary criticism
