Baseline Selling How To Become A Sales:

Baseline Selling Dave Kurlan, 2005-11 *Baseline Selling How to Become a Sales Superstar by Using What You Already Know About the Game of Baseball* will dramatically change the way we approach the sales process replacing the gratuitous complexity advocated by today's sales experts with an elegant and very effective simplicity. Studies have shown that the selling techniques of the last two decades have had very little impact on most of the sales population less than 75 percent of all salespeople to be exact. Why? Because of the complexity learning curve and difficulty in applying the concepts in these systems. In response to the urgent need for a flexible innovative process that will enable people to grasp the essential skills necessary to close a sale in any situation *Baseline Selling* reemphasizes the fundamentals of selling in a fresh memorable way that modern sales professionals can relate to and utilize and above all one that complements and enriches advanced sales methodologies. Salespeople who read this book and put its wisdom to work will succeed at acquiring more opportunities as they learn to get appointments more easily. They will excel at creating opportunities with prospects who are not interested. They'll sell at higher margins by using the Rule of Ratios. Their closing percentages will improve dramatically as they implement the simple Inoffensive Close. Salespeople selling commodities struggling to differentiate themselves will love *Commodity Busters* and every salesperson will be able to shorten their sell cycle by *Taking a Lead*. Quite simply *Baseline Selling* introduces a way for salespeople to visualize and touch all the sales bases without over complicating the process.

Mastering the World of Selling Eric Taylor, David Riklan, 2010-07-30 Of the 17 million people in the U.S. who are involved directly or indirectly in sales many repeatedly acknowledge facing four major challenges: No prior sales education or training; Lack of formalized sales training resources and methodologies provided by their companies; Due to the recession and downsizing era lack of 12-18 month professional sales training for new hires provided by Fortune 500 companies; A consistent struggle to keep their sales force distributors manufacturers reps and affiliates motivated and focused on effectively selling their products and services. *Mastering the World of Selling* helps companies and entrepreneurs overcome these four major obstacles with candid advice and winning strategies from the leading sales trainers and training companies in the world.
