Financial Management and Control in Higher Education Malcolm Prowle, Eric Morgan, 2005. This book explains the key issues in finance and management in higher education and provides practical guidance. It is a professional handbook, authoritative and comprehensive enough for accountants yet written in an engaging and accessible style that will be understood by professionals who do not have a background in finance. Full of tried and tested case material, examples and useful illustrations, this book considers the latest developments and covers all levels of financial management from the structure of the management of institutions right down to the course level and managing budgets. *Financial Management and Control in Higher Education* is an invaluable guide for anyone in higher education with a level of financial responsibility and will be a source of advice that is referred back to again and again.

University Finances Dean O. Smith, 2019-03-05. An essential and comprehensive guide to university finances. In *University Finances*, higher education expert Dean O. Smith demystifies basic accounting procedures, budgets, debt financing and financial statements, explores more unusual financial topics such as methods for calculating fringe benefit rates, bond refunding costs and indirect cost allocations, shows that the use of university wealth is highly restricted by donors, bondholders, government regulators and others, answers nuanced questions like 'How are USDA formula funds calculated?' and 'Why does the university pursue more and more research funding when it loses money on every grant?' illustrates financial calculations using realistic examples. Some of these explanations are unavailable in print or online to anyone but a handful of professional accountants. Rigorous, detailed and wide ranging, *University Finances* is a unique and powerful resource.

The Jossey-Bass Academic Administrator's Guide to Budgets and Financial Management Margaret J. Barr, 2003-02-03. Newly appointed academic managers are often unsure how to effectively manage their department's fiscal affairs. *The Jossey-Bass Academic Administrator's Guide to Budgets and Financial Management* is specifically designed for administrators who need guidance for managing the fiscal resources of a department or unit. Using this book, administrators can learn to better understand the broad fiscal context of their institutions and thereby master their own role and function within the institution.
