Morrissey, 2019-02-27 When people die are they ever truly gone I had heard the saying pennies from heaven before but my coins from heaven seemed to be dimes Was my father actually sending me dimes to show me he wasn t really gone My mother seemed to be sending pennies all the time but my dad was pretty clever Everyone around me knew that I was sensitive but it took me writing about a few special dimes to discover what it meant to be an empath Along with the messages from Heaven I share how I am listening to the positive voice inside my head This book is about so much more than dimes yet without them I wouldn t have written it      *Virtuous Vision* Paul R. Bates, 2010-10 One of the greatest stories of visionary leadership in history is the one found in Nehemiah Paul Bates has aggressively tackled the herculean task of bringing the truths of this book into the 21st century If you read Virtuous Vision with a teachable spirit you will learn much Dr James G Merritt President Southern Baptist Convention 2000 2002 In Virtuous Vision author Paul Bates teaches that every believer has a vision and a dream But how can we know our plans from God s plans And when we know then what Paul draws deeply on principles gleaned from one of the most successful dreamers in the Bible Nehemiah In the face of ridicule Nehemiah looked above his role as a servant and took up the call that God had placed upon his life Paul Bates brings those ideas back to life by rebuilding them into simple easy to follow lessons that will Help you confirm your vision Show you the tools you need to maintain your vision Give you the inspiration to complete your vision Reveal warning signs that could endanger your vision Paul doesn t try to help you acquire a vision but he seeks to reveal that you already have a vision from God His conversational style offers an insightful accessible way to take the dreams God has given you and to make them a reality

**Your Leadership Legacy** Robert M. Galford, Regina Fazio Maruca, 2006-09-16 You should worry about your legacy later in your career at the edge of retirement right Not according to Robert Galford and Regina Maruca In *Your Leadership Legacy* these authors argue that thinking about your legacy now makes you a better leader today Based on stories of top leaders who have shaped successful careers the book explores the art of legacy thinking helping you to formulate a legacy that will exert a positive effect on your work immediately The authors provide a disciplined approach to framing your legacy as well as shaping it over time They start with the idea that your legacy is defined by how others approach work and life as a result of having worked with you They then demonstrate how to assess your current impact on those around you strengthen that impact and pass along the best of yourself in the process While many leaders find

themselves and hone their work accordingly only after a major life crisis Your Leadership Legacy enables all leaders to craft their work and build their legacy unburdened by such crises and to experience personal satisfaction and achievement throughout their working lives     Your Leadership Legacy Marta Brooks,Julie Stark,Sarah Caverhill,2004 Whatever your position if you influence change in the lives of those around you you are engaged in an act of leadership And if you are a leader in any sense you are creating a legacy as you live your daily life Your leadership legacy is the sum total of the difference you make in people s lives directly and indirectly formally and informally Will you consciously craft your legacy or simply leave it up to chance What can you do to create a positive empowering legacy that will endure and inspire Your Leadership Legacy the latest volume in the popular Ken Blanchard Series is a parable that challenges leaders to take responsibility for the lasting impact their actions can have for better or for worse The authors spent five years speaking to a cross section of men and women from all walks of life asking them who had left an indelible impression in their lives and more importantly why They drew on his research to develop three Leadership Imperatives that any leader can follow to create a lasting positive legacy They reveal these imperatives through the story of Doug Roman Doug is a brash 30 something CEO heir apparent to a company called Mooseland Stoneware He assumes he will just waltz into the job after the death of the former CEO his beloved Aunt Nan But Aunt Nan has a posthumous surprise for him She leaves behind a detailed letter telling him that he must first embark on a journey to learn the leadership imperatives that will prepare him to live his leadership legacy He can only become CEO if six months later Mooseland s board unanimously agrees that he as indeed understood and begun to master these leadership imperatives As readers accompany Doug they learn that leaving a lasting legacy is about more than just professional values they must demonstrate them by the way they live While there are many books that help leaders define their values there is little written to help them figure out how to live them courageously Your Leadership Legacy shows leaders that the legacy they live is the legacy they leave Your Leadership Legacy provides you with sound advice in helping make your life one that is whole meaningful and memorable Read it then read it again Harry Paul co author FISH A Remarkable Way to Boost Morale and Improve Results
