Building Strong Banks Through Surveillance And Resolution:

Building Strong Banks Through Surveillance and Resolution Mr.Charles Enoch,Mr.Dewitt Marston,Mr.Michael Taylor,2002-09-18 Since the mid 1990s economic observers have kept a watchful eye on the financial sector because of its potential to spark economic crises Banks in particular have come under close scrutiny This book offers guidance on setting up regulatory and supervisory regimes that can help to prevent crises and on dealing with turmoil should a crisis erupt It contains a collection of essays on a wide range of issues useful to bolstering the banking and financial sector **IMF Publications Catalog, Spring 2017** International Monetary Fund. Communications Department,2017-04-05 Spring 2017 IMF Publications Catalog highlights all new and forthcoming publications from the IMF in addition to key titles in the IMF collection The UK Banking System and its Regulatory and Supervisory Framework C. Gola,A. Roselli,2015-12-11 An account of the principal phases in the development of the English banking system and an analysis of the financial structure of the economy of the UK The book focuses in detail on the regulatory and supervisory aspects of the UK banking system and the interactions between the structural aspects of the banking and supervisory system **Managing Systemic Banking Crises** Mr.Marc Quintyn,Mr.David S. Hoelscher,2003-08-28 Recent financial sector crises and their resolution have raised new issues and provided additional experiences to draw on in the future Banking sector problems in Russia Turkey and a few Latin American countries occurred within the context of highly dollarized economies high levels of sovereign debt severely limited fiscal resources or combinations thereof These factors have challenged the effectiveness of many of the typical tools for bank resolution This publication focuses on the issues raised in systemic crises not on the resolution of individual bank problems Based on the lessons learned during the Asian crisis it updates the IMF s work on the general principles strategies and techniques for managing these crises **Publications Catalog, Fall 2014** International Monetary Fund,2014-09-25 This paper presents an overview of the book Collapse and Revival Understanding Global Recessions and Recoveries that tracks the global business cycle through the destruction of a global recession to the renewal of recovery drawing on four major episodes during the past half century This book defines the terms of global recessions and recoveries documents their main features describes the events that take place around these episodes puts the latest global recession and ongoing recovery in perspective and analyzes the interactions between fluctuations in the global growth and national growth over the different phases of the global cycle Bank Restructuring and Resolution David S. Hoelscher,2016-02-12 Systemic financial crises have become a common feature of the global financial landscape Resolution of such crises requires a complex mix of macroeconomic and financial sector policies including the restructuring and resolution of problem banks This volume outlines the theoretical insights that have been gained and the practical lessons learned A Critical Assessment of Basel II, Internal Rating Based Approach Vahit Ferhan Benli,2010 **Publications Catalog, Spring 2016** International Monetary Fund. Communications Department,2016-04-06 This IMF catalog provides the newest information on the key publications

Each publication underpins IMF strategic positions and policy by disseminating global and regional surveillance products and analysis and by expanding country level outreach With this objective in mind the IMF publishes a wide variety of books periodicals and electronic products covering global economics international finance monetary issues statistics exchange rates and other global economic issues IMF s print and digital publications also present the analysis research policy advice and data on economic and financial sector issues at the global regional and country level The West African Economic and Monetary Union WAEMU has a long and varied history and this Building Integrated Economies in West Africa Lessons in Managing Growth Inclusiveness and Volatility book examines how the WAEMU can achieve its development and stability objectives improve the livelihood of its people and enhance the inclusiveness of its economic growth all while preserving its financial stability enhancing its competitiveness and maintaining its current fixed exchange rates *Crisis Resolution in the Context of Sovereign Debt Restructuring - A Summary of Considerations* International Monetary Fund. Policy Development and Review Dept.,International Monetary Fund.
