Blaire Briody

Backpage Williston Nd:

The New Wild West Blaire Briody, 2025-06-25 Williston North Dakota was a sleepy farm town for generations until the frackers arrived. The oil companies moved into Williston, overtaking the town and setting off a boom that America hadn't seen since the Gold Rush. Workers from all over the country descended, chasing jobs that promised them six figure salaries and demanded no prior experience. But for every person chasing the American dream, there is a darker side: reports of violence and sexual assault skyrocketed, schools overflowed, and housing prices soared. Real estate is such a hot commodity that tent cities popped up, and many workers' only option was to live out of their cars. Farmers whose families had tended the land for generations watched powerless as their fields were bulldozed to make way for one oil rig after another. Written in the vein of Ted Conover and Jon Krakauer, using a mix of first person adventure and cultural analysis, The New Wild West is the definitive account of what's happening on the ground and what really happens to a community when the energy industry is allowed to set up in a town with little regulation or oversight and at what cost.

Dark Before Dawn Monica McGurk, 2016-10-11 It's darkest before the dawn, and that can be very dark indeed. Twelve years have passed since Hope Carmichael helped fulfill the ancient prophecy that permitted the Fallen Angels to return forgiven to Heaven. Now a lawyer at twenty-eight, Hope, along with a resurrected Michael, the archangel who loves her, has been presented by Heaven with a choice: one that could either result in Hope never seeing her family again or the world losing its greatest angelic protector. At the same time, Hope's young sister Aurora struggles to help a school friend resolve her dark personal issues while being observed by a sinister adversary from Hope's past working on a plan for revenge that may soon plunge the entire extended Carmichael family into tragedy. The culmination of the saga begun in *Dark Hope* and continued in *Dark Rising*, *Dark Before Dawn* returns to the world of the Archangel Prophecies, telling one final story of adventure, moral urgency, and the ultimate choice Hope and Michael make between the human and the divine.

The History of the Future Edward McPherson, 2017-04-10 What does it mean to think about Dallas in relationship to Dallas? In *The History of the Future*, McPherson reexamines American places and the space between history, experience, and myth. Private streets, racism, and the St. Louis World's Fair, fracking for oil and digging for dinosaurs in North Dakota boomtowns, Americana slides into apocalypse in these essays revealing us to ourselves.
