

A person's hands are visible at the top, gripping the handle of a silver, rectangular metal briefcase. The briefcase is centered in the frame and has the words "BAD PAPER" embossed in large, bold, capital letters across its front. The background is dark and out of focus, showing the person's legs in dark trousers.

Bad Paper Chasing Debt From Wall Street To The Underworld:

Bad Paper Jake Halpern, 2014-10-14 Frequent New Yorker contributor Jake Halpern investigates the shadowy unregulated world of consumer debt collection focusing on an unlikely friendship between a former banking executive and former armed robber who go in search of paper spreadsheets of uncollected debt sold off by banks for pennies on the dollar

Publisher information **Bad Paper** Jake Halpern, 2015-10-13 The book teems with eccentric characters and scenes that made my skin crawl Explained simply read easily **Bad Paper** defies expectations It should also raise quite a few alarms Colin Dwyer NPR The Federal Trade Commission receives more complaints about rogue debt collecting than it does about any activity besides identity theft In **Bad Paper** journalist Jake Halpern reveals why He tells the story of Aaron Siegel a former banking executive and Brandon Wilson a former armed robber who become partners and go in quest of paper the uncollected debts that are sold off by banks for pennies on the dollar As Aaron and Brandon learn the world of consumer debt collection is an unregulated shadowland where operators often make unwarranted threats and even collect debts that are not theirs Introducing an unforgettable cast of characters Halpern chronicles Aaron and Brandon's lives as they manage high pressure call centers hunt for paper in Las Vegas casinos and meet in parked cars to sell the social security numbers and account information of unsuspecting consumers The result is a vital exposé on the cost of a system that compounds the troubles of hardworking Americans and an astonishing feat of storytelling

Bad Paper Jake Halpern, 2014-10-14 The Federal Trade Commission receives more complaints about rogue debt collecting than about any activity besides identity theft Dramatically and entertainingly **Bad Paper** reveals why It tells the story of Aaron Siegel a former banking executive and Brandon Wilson a former armed robber who become partners and go in quest of paper the uncollected debts that are sold off by banks for pennies on the dollar As Aaron and Brandon learn the world of consumer debt collection is an unregulated shadowland where operators often make unwarranted threats and even collect debts that are not theirs Introducing an unforgettable cast of strivers and rogues Jake Halpern chronicles their lives as they manage high pressure call centers hunt for paper in Las Vegas casinos and meet in parked cars to sell the social security numbers and account information of unsuspecting consumers He also tracks a package of debt that is stolen by unscrupulous collectors leading to a dramatic showdown with guns in a Buffalo corner store Along the way he reveals the human cost of a system that compounds the troubles of hardworking Americans and permits banks to ignore their former customers The result is a vital exposé that is also a bravura feat of storytelling

Debt as Power Richard H. Robbins, Tim Di Muzio, 2016-01-01 This electronic version has been made available under a Creative Commons BY NC ND open access license **Debt as power** is a timely and innovative contribution to our understanding of one of the most prescient issues of our time the explosion of debt across the global economy and related requirement of political leaders to pursue exponential growth to meet the demands of creditors and investors The book is distinctive in offering a historically sensitive and comprehensive analysis of debt as an interconnected and global

phenomenon **The Color of Money** Mehrsa Baradaran, 2017-09-14 Read this book It explains so much about the moment Beautiful heartbreaking work Ta Nehisi Coates A deep accounting of how America got to a point where a median white family has 13 times more wealth than the median black family The Atlantic Extraordinary Baradaran focuses on a part of the American story that's often ignored the way African Americans were locked out of the financial engines that create wealth in America Ezra Klein When the Emancipation Proclamation was signed in 1863 the black community owned less than 1 percent of the total wealth in America More than 150 years later that number has barely budged The Color of Money seeks to explain the stubborn persistence of this racial wealth gap by focusing on the generators of wealth in the black community black banks With the civil rights movement in full swing President Nixon promoted black capitalism a plan to support black banks and minority owned businesses But the catch 22 of black banking is that the very institutions needed to help communities escape the deep poverty caused by discrimination and segregation inevitably became victims of that same poverty In this timely and eye opening account Baradaran challenges the long standing belief that black communities could ever really hope to accumulate wealth in a segregated economy Black capitalism has not improved the economic lives of black people and Baradaran deftly explains the reasons why Los Angeles Review of Books A must read for anyone interested in closing

America's racial wealth gap Black Perspectives Margaret Sherraden, Julie Birkenmaier, J. Michael Collins, 2018-03-28 Financial struggles of American families are headline news In communities across the nation families feel the pinch of stagnant and sometimes declining incomes Many have not recovered from the Great Recession when millions lost their homes and retirement savings They are bombarded daily with vexing financial decisions Which bills to pay Where to cash checks How to cover an emergency How to improve a credit report How to bank online How to save for the future Low and moderate income families have few places to turn for guidance on financial matters Not many can afford to pay a financial advisor to help navigate an increasingly complex financial world They do their best with advice from family and trusted individuals Social workers financial counselors and human services professionals can help As first responders they assist families and help in finding financial support from public and private sources But these professionals are too often unprepared to address the full range of financial troubles of ordinary working families Financial Capability and Asset Building in Vulnerable Households prepares social workers financial counselors and other human service professionals for financial practice with vulnerable families Building on more than 20 years of research the book sets the stage with key concepts historical antecedents and current financial challenges of families in America It provides knowledge and tools to assist families in pressing financial circumstances and offers a lifespan perspective of financial capability and environmental influences on financial behaviors and actions Furthermore the text details practice principles and skills for direct interventions as well as for designing financial services and policy innovations It is an essential resource for preparing the next generation of practitioners who can enable families to achieve economic security and

development **Rivista di Estetica 84** AA.VV.,2024-01-24 Although in social ontology the nature of money has been extensively studied little has been said about the nature of other entities populating the financial world such as debts economic exchanges and price drops This special issue of Rivista di Estetica gathers novel research papers dealing precisely with some ontological problems pertaining to the finance landscape While these papers do not exhaust the issues associated with the ontology of finance they certainly contribute to improving our comprehension of the financial world which is crucial for both theoretical and practical reasons *Consumer Culture and Society* Wendy Wiedenhoft Murphy,2016-07-27 Consumer Culture and Society offers an introduction to the study of consumerism and consumption from a sociological perspective Author Wendy Wiedenhoft Murphy examines what we buy how and where we consume the meanings attached to the things we purchase and the social forces that enable and constrain consumer behavior Opening chapters provide a theoretical overview and history of consumer society and featured case studies look at mass consumption in familiar contexts such as tourism food and higher education The book explores ethical and political concerns including consumer activism indebtedness alternative forms of consumption and dilemmas surrounding the globalization of consumer culture

Entrepreneurship in Policing and Criminal Contexts Robert Smith,2021-03-25 Entrepreneurship in Policing and Criminal Contexts explores the contemporary and under researched themes of entrepreneurial policing and entrepreneurialism in criminal justice contexts which are emerging topics of both theoretical and practical interest in the current rapidly changing criminal justice environment *What Is a Human?* James Paul Gee,2020-09-17 In a sweeping synthesis of new research in a number of different disciplines this book argues that we humans are not who we think we are As he explores the interconnections between cutting edge work in bioanthropology evolutionary biology neuroscience human language and learning and beyond James Paul Gee advances also a personal philosophy of language learning and culture informed by his decades of work across linguistics and the social sciences Gee argues that our schools institutions legal systems and societies are designed for creatures that do not exist thus resulting in multiple interacting crises such as climate change failing institutions and the rise of nationalist nationalism As Gee constructs an understanding of the human that takes into account our social collective and historical nature as established by recent research he inspires readers to reflect for themselves on the very question of who we are a key consideration for anyone interested in society government schools health activism culture and diversity or even just survival
