We Weren't Angels Geoff Alexander, 2023-03-29 A hub of sex crime and drugs Boston's Combat Zone the nation's largest adult entertainment district during the last half of the 20th century lured white and blue collar workers lawyers professors judges and cops to watch and chat up its adult performers many of whom earned more than white collar professionals By 1985 its multi decade run was over Why did it last so long despite constant attempts to destroy it What drew thousands of women to perform there despite the potential for danger And what became of them after the lights dimmed and the music stopped This first comprehensive history of the Combat Zone authored by an active participant is told through the gritty perspective of a Boston cab driver married to a star dancer It introduces the district's strippers club owners transgender performers prostitutes and cops depicting them as neither saints nor sinners as they fought for survival and success in a time of sexual revolution and political upheaval This is their story much of it told in their own words

Cop Shows Roger Sabin, Ronald Wilson, Linda Speidel, 2015-03-23 From cops who are paragons of virtue to cops who are as bad as the bad guys from surly loners to upbeat partners from detectives who pursue painstaking investigation to loose cannons who just want to kick down the door the heroes and anti heroes of TV police dramas are part of who we are They enter our living rooms and tell us tall tales about the social contract that exists between the citizen and the police Love them or loathe them according to the ratings we love them they serve a function They've entertained informed and sometimes infuriated audiences for more than 60 years This book examines Dragnet Highway Patrol Naked City The Untouchables The F B I Columbo Hawaii Five O Kojak Starsky Hutch Hill Street Blues Cagney Lacey Miami Vice Law Order Homicide Life on the Street NYPD Blue CSI The Shield The Wire and Justified It's time to take another look at the perps the vics and the boys and girls in blue and ask how their representation intersects with questions of class gender sexuality and race What is their socio cultural agenda What is their relation to genre and televisuality And why is it that when a TV cop gives a witness his card and says call me that witness always ends up on a slab
