Email: h.huffman@beth.k12.pa.us
Email: rlittle@beth.k12.pa.us

Rationale: Honors Chemistry is designed to introduce you to the structure of substances as well as the changes that they undergo. Prior to entering the classroom, this course required a basic understanding and review of several physical science topics presented in earlier courses. To best prepare you for the rigors of this course, you are required to read an excerpt from the textbook, complete several questions on the selected topics of physical science, and complete a short quiz on these topics.

Due Date: The readings and questions are due to your Honors Chemistry Teacher on the first day of school regardless of when you are scheduled for the course. The quiz will be within the two weeks of your class. This assignment will be collected and checked for completeness. During class we will discuss and review any questions or concerns regarding this assignment.

Assignments:

1. Complete Algebra Review (attached)
2. Read Sections 1.1 up to and including 1.3. You will need to log onto the online website to access the online textbook.
