Basic Grammar Spoken English:

Basic English Grammar Learn by Doing Dr. Arun Jee, 2023-04-14 This is a book of basic English grammar for the elementary level of learners. It can even be used by those who want to brush up their basics. Unlike the prevailing books on grammar in the market, the focus of this book is not on learning the definitions of grammatical terms. Instead, efforts are made to let the learners identify these items and understand their functions. Rational explanations are given for the learner to understand the rules with ease. Special care is taken to expose the learners to the unique features of the English language. This is to help them avoid committing common errors. Exercises are prepared to address these errors too. The Answer Keys to the exercises are a part of the book. The book can be used as a course for learners to acquire the basics of grammar. It may be used as a grammar book for classes 5th to 8th in the CBSE schools and for classes 9th and 10th in the State Board schools in India. *Basic English Grammar Learn By Doing* by Dr. Arun Jee. Authored by Dr. Arun Jee, this book is likely an educational resource for learning and understanding the fundamentals of English grammar. It may employ a hands-on approach to help learners grasp essential grammar concepts. **Key Aspects of the Book:** *Basic English Grammar Learn By Doing Grammar Learning*. Dr. Arun Jee's book may provide learners with a practical and interactive way to study English grammar. **Hands-On Approach:** The book likely encourages active participation and application of grammar rules through exercises and examples. **Educational Resource:** *Basic English Grammar Learn By Doing* may serve as a valuable tool for individuals seeking to improve their English language skills. Dr. Arun Jee is likely an educator and grammar enthusiast dedicated to facilitating English language learning through practical methods.

Real Spoken English Salim Khan Anmol, 2024-03-21 The *Real Spoken English* has been specially designed for readers with limited learning time who wish to gain command of all the important points of grammar needed for everyday speech and comprehension yet who do not wish to be unnecessarily burdened with archaic, highly literary or seldom used forms. Summarizing all the major constructions, principles and basic terminology, this book will provide readers with a firm foundation in essential English grammar. The text proceeds in easy natural steps, beginning with simple sentence structure and advancing logically to more difficult constructions. More than 600 practice exercises and solutions make this an excellent home study text. Organized with clarity and emphasizing explanation rather than rote memorization, this selective grammar can be used effectively as a course supplement, as an introduction for beginners or as a reference for students and teachers. English grammar rules and usage is specially designed for learners of English as second or foreign language. This book is intended for undergraduate students who have little or no previous background in English grammar, students who need an introduction to English grammar as part of their curriculum in English or as preparation for teaching the language. This book can be used as a self-study book. Each grammatical rule is explained in simple English with several examples. This book is written in the classroom language so it can be used by a teacher to explain English grammar in the classroom. The relation between the concepts of English grammar and correct use
