A Stirling Diary Shelley D. Lane, 2010-07-21 She peered into the steaming crater of Mt Aetna slid up an icy mountain in Bavaria and was marched to a shabby police station in Tunisia She also had some important decisions to make while she spent her junior year abroad as an exchange student at the University of Stirling in Scotland Should she remain dependent on her noncommittal boyfriend or should she risk loneliness and abandon her dreams of their future Should she focus on marriage attend graduate school or should she begin a career What should she do with her life The rousing narrative in *A Stirling Diary* chronicles humorous encounters with Brit speak rollicking adventures in Europe and Africa and the appreciation of and affection for the Scottish people Shelley shares honest and occasionally raw descriptions of her struggles to adapt not only to various cultures but also to discover her own self worth in the process *A Stirling Diary* is not just a fascinating travel journal its also an inspiring personal story that illustrates the transformation of an insecure young girl to an empowered young woman who looks inward to survive betrayal and depression **The Ladies' Repository, and Gatherings of the West**, 1841 *The People Of The Wolf* Jack F.

Reich, 2006-08 Ace Roberts was in his own words The Best Damn Fighter Pilot Ever Born This Clark Gable look alike got his nickname by shooting down ten Jap Zeros in a P 40 Tomahawk in 1942 as an American mercenary for Chinese Generalissimo Chiang Kai Shek He reinforced this reputation in the Korean War by shooting down ten Russian built MiG 15's in his F 86 Sabrejet He was in fact a double ace two times over Ace was also very very lucky He survived three years of inhuman torture in Japanese prisoner of war camps in World War II being shot down behind enemy lines in Korea and a year of aerial combat in MiG Alley high above the Manchurian skies Women were irresistibly attracted by his devilish good looks and magnetic charm These included Suzy a pretty MASH nurse An Liu exotic confidant to Madame Chiang Kai Slick and if truth be known

Madame Chiang herself But Ace had a penchant for taking chances He chased two Chinese pilots across the Yalu River into Manchuria shooting them down in violation of Air Force Regulations and getting cashiered from the service for this infraction A year later he vanished while flying an X 99 experimental jet over California s High Sierras resulting in Madame Chiang s dispatching An Liu to assist in the search for her favorite American Read LUCKYACE to find out if this intrepid airman can escape his latest rendezvous with death

The Pope Moves to Manyberries Alan Donnell,2023-10-26 The Pope walks out of the Vatican and into the rest of the world He quickly becomes more famous than he ever was and sightings of the Pope are reported across the globe including The Last Ranchman bar in Manyberries a village in the lower righthand corner of Alberta As the Pope sits alone looking like a broken down cowboy in a neon JESUS SAVES T shirt and dunking fries in beer the barroom regulars debate if he s really the pontiff With 97.3 percent of Manyberries population of 75 in agreement that the man in the bar is the Pope the expected boost in tourism fails to materialize Instead there is a series of strange events infidelity murder spontaneous human combustion until the pontiff is found on top of the town s grain elevator with arms outstretched as if he s gathering in the world At the end of Civilization itself as the locals call Manyberries almost anything can and does happen Block Broderick Crawford III tells this surreal tale of a handful of quirky residents whose lives are turned upside down or right side up by the Pope s presence Block shares his own story alongside the town s and its motley crew of characters and historic figures from the inventor of the sex box Wilhelm Reich to Ordinarius Professor Kaspar Heisenberg father of the father of the Heisenberg Uncertainty Principle Although Block is heartbroken by his sometime girlfriend Genevieve La Guadeloupe who is found lying on top of the Pope in a field during a summer snowstorm and ponders the foibles of human existence he continues to search for meaning in an increasingly irrational world Absurdist yet hopeful

The Pope Moves to Manyberries is a spirited satire that will appeal to the guileless and jaded alike
