

Building, Preparing and Racing Your

MINI

Mini racing is the affordable route to real, competitive motorsport – either as a first step in a motor racing career or just for the fun and friendship of club racing. Three-times National Championship winner Bill Solis tells his story, from how he started back in 1984 through to his National Mini Mita Championship win in 1997. He also gives invaluable practical advice on how to:

- Buy a Mini suitable for going racing.
- Make race modifications to body, suspension, steering, brakes and transmission.
- Assemble your own engine.
- Track-tune for optimum handling.
- Maintain your competition car.

This book, illustrated throughout in colour, also includes:

- How to get a racing licence and go racing.
- Advice on driver safety.
- Contact names and addresses.

Soon after passing his driving test, Bill Solis joined the Mini Se7en Racing Club, bought a car and began racing as a novice. Within six seasons he won his first National Championship and later moved on to the Mini Mita Challenge. He has raced in the UK, Europe and as far afield as Japan and Jamaica and has also had occasional outings as a works driver for Kent Auto Developments. Co-author Dave Pollard is a long-time motor racing fan and is a motoring journalist and author with many practical books to his credit.

Cover illustrations

Front: The ultimate Mini Mita... probably! Built by Peter Vickers (Paul Harmer). Back: Bill Solis in Corley's 1999 National Mini Mita Challenge winner, with carbon fibre front removed.

Middle: The first official test of Bill Solis's ex-Gerald Dale Mita, tested in CCC colours for the 1985 season. The author consults Bob Cooper – long-serving friend and mechanic.

Bottom: Ray Lewis leads into the chicane at Thruxton in a Peter Vickers-built car. This is one of the most challenging corners in the country – especially with Minis attacking on all sides!

Building Preparing And Racing Your Mini Introduction

In today's digital age, the availability of Building Preparing And Racing Your Mini books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Building Preparing And Racing Your Mini books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Building Preparing And Racing Your Mini books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Building Preparing And Racing Your Mini versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Building Preparing And Racing Your Mini books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Building Preparing And Racing Your Mini books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Building Preparing And Racing Your Mini books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit

organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Building Preparing And Racing Your Mini books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Building Preparing And Racing Your Mini books and manuals for download and embark on your journey of knowledge?
