Also, Gethin himself talks about his Bollywood clients including Hrithik Roshan, John Abraham, Arjun Kapoor, Imran Khan, Karan Johar, and Ranveer Singh, amongst others who have experienced physical transformation under his guidance combined with their own unwavering determination. The book contains customized 10-week workout programmes and a diet plan of almost 30 Indian recipes and is by far the most inspirational and educational book on transformational success. About Kris Gethin: Kris Gethin is the director of trainers for physique elite who has worked with many famous Bollywood stars. He is CEO of both Nutrition by Design and Gethin Gyms. The Transformer Kris Gethin, 2015-12-14. *The Transformer* follows Kris Gethin's story from a small town in Wales, barely in control of his own life, all the way to Mumbai, India, where he transformed the bodies of Bollywood stars like Hrithik Roshan and John Abraham while helping millions get their dream physiques around the world. At 23, Kris is going nowhere. Then one day he goes to watch a bodybuilding competition and is amazed by the incredible physiques of the colossal men on stage. He decides that if he is ever to fulfil his potential, he must transform himself like them. Kris soon discovers that not only does transformation change his body drastically, it alters his life each time he undergoes it. From a small town in Wales to Australia to the United States, he goes from success to success, helping others along the way whilst rising to the top of the world of natural bodybuilding. Kris then settles in Boise, Idaho, as Editor in Chief for the biggest online bodybuilding publication, Bodybuilding.com, creating videos, writing articles, and books, enabling millions to get their ideal bodies. Suddenly, disaster strikes. Forced to abandon his life and home in the US, Kris's world quickly unravels, and he is back where he started in Wales, and not in control of his life. Can he rebuild it from scratch? Then, out of the blue, he receives a phone call from Hrithik Roshan, the Bollywood superstar, and it is this moment which opens the most exciting chapter of his life yet in India. After becoming a household name in India, he returns to the UK and US to create a supplement line unlike anything the world has ever seen. Within seven months of its launch, KAGED MUSCLE becomes the highest-rated product across the globe. Kris continues to transform many lives. He travels the world, educating, certifying, and inspiring people via his motivational seminars and practical workshops. Talking Points: Foreword by Bollywood actor Anil Kapoor. Bhangra Moves AnjaliGera Roy,2017-07-05 Bhangra is commonly understood as the hybrid music produced in Britain by British Asian music producers through mixing Panjabi folk melodies with western pop and black dance rhythms This is derived from a Punjabi harvest dance of the same name This book looks at Bhangra s global flows from one of its originary sites the Indian subcontinent to contribute to the understanding of emerging South Asian cultural practices such as Bhangra or Bollywood in multi ethnic societies It seeks to trace Bhangra s moves from Punjab and its return back to look at the forces that initiate and regulate global flows of local texts and to ask how their producers and consumers redirect them to produce new definitions of culture identity and nation

The critical importance of this book lies in understanding the difference between the present globalizing wave and previous trans local movements Gera Roy contrasts the frames of cultural imperialism with those of cultural invasion to show how Indian cultures have constantly reinvented themselves by cross pollinating with invading cultures such as Hellenic Persian Arabic and many others in the past By looking at Bhangra s flows to and from India the book revises the relation between culture space and identity and challenges boundaries It weighs both the uses and costs of visibility provided by global networks to marginalized groups in diverse localities and explores whether collaborations between Bhangra practitioners largely of working class origin give ordinary people any control over the circulation of culture in the global village Finally the book considers whether cultural practices can alter hierarchies and power structures in the real world
