Bonnie Sue A Marine Corps Helicopter Squadron In Vietnam:

Bonnie-Sue Marion F. Sturkey, 1996 U S Marine Corps helicopter crews found little glory waiting for them in faraway Vietnam Instead they became locked in a savage struggle with tenacious Sino Soviet pawns in a desperate battle for survival The author combines fascinating detail with grim realism He uses hundreds of records from Marine Corps archives to build the outline for this riveting chronology Onto this framework he weaves personal accounts from helicopter crews Step through this unique looking glass into the crucible of combat in Vietnam Experience the love and brotherhood shared by helicopter crews and Marine infantrymen Their survival became their victory USMC Vietnam Helicopter Pilots and Aircrew History, 2nd Ed. , 1995-09-01 Capture the esprit de corps of the Marines in action during the Vietnam War A documentation of the men the crews and the machines that flew the wartorn skies of Southeast Asia Hundreds of dynamic photographs maps roster of Association members and nearly 400 biographies with before and after photos of Marines make USMC Vietnam Helicopter Association Pop a Smoke a treasure chest of memories and history *Marine Corps Magic* Retired) Sgt. Gary Haun (USMC, Retired) Haun (Usmc, 2013-03 Sgt Gary Haun USMC Retired lost his eyesight while servicing on active duty with the Marine Corps However he did not lose the values and principles that are the characteristics of a United States Marine In Marine Corps Magic Sgt Haun explains how the Corps taught him the values and principles that have helped him in his life More importantly he tells how these values can help anyone who is facing adversity or who is interested in self improvement Marine Corps Magic covers many different areas of the Corps and will leave the reader no doubts about why the Marine Corps is called The World s Finest Fighting Force **Con Thien** James P. Coan, 2004-08-10 Con Thien is a memoir history of a much beleaguered Marine outpost of the DMZ Throughout much of 1967 a remote United States Marine firebase only two miles from the demilitarized zone DMZ captured the attention of the world s media That artillery scarred outpost was the linchpin of the so called McNamara Line intended to deter incursions into South Vietnam by the North Vietnamese Army As such the fighting along this territory was particularly intense and bloody and the body count rose daily Con Thien combines James P Coan s personal experiences with information taken from archives interviews with battle participants and official documents to construct a powerful story of the daily life and combat on the red clay bulls eye known as The Hill of Angels As a tank platoon leader in Alpha Company 3d Tank Battalion 3d Marine Division Coan was stationed at Con Thien for eight months during his 1967 68 service in Vietnam and witnessed much of the carnage Con Thien was heavily bombarded by enemy artillery with impunity because it was located in politically sensitive territory and the U S government would not permit direct armed response from Marine tanks Coan like many other soldiers began to feel as though the government was as much the enemy as the NVA yet he continued to fight for his country with all that he had In his riveting memoir Coan depicts the hardships of life in the DMZ and the ineffectiveness of much of the U S military effort in Vietnam **Time in the Barrel** James P. Coan, 2018-11-13 A Marine s highly personal memoir reliving the hellish days of a

pivotal conflict of the Vietnam War Con Thien located only two miles from the demilitarized zone dividing North and South Vietnam was a United States Marine Corps firebase that was the scene of fierce combat for months on end during 1967 Staving off attacks and ambushes while suffering from ineffectual leadership from Washington as well as media onslaughts courageous American Marines protected this crucial piece of land at all costs They would hold Con Thien but many paid the ultimate price By the end of the war more than 1 400 Marines had died and more than 9 000 sustained injuries defending the Hill of Angels For eight months James P Coan s five tank platoon was assigned to Con Thien while attached to various Marine infantry battalions A novice second lieutenant at the time the author kept a diary recording the thoughts fears and frustrations that accompanied his life on The Hill Time in the Barrel A Marine s Account of the Battle for Con Thien offers an authentic firsthand account of the daily nightmare that was Con Thien An enticing and fascinating read featuring authentic depictions of combat it allows readers to fully grasp the enormity of the fierce struggle for Con Thien The defenders of Con Thien were bombarded with hundreds of rounds of incoming rockets mortars and artillery that pounded the beleaguered outpost daily Monsoon downpours turned the red laterite clay soil into a morass of oozing mud flooded bunkers and trenches and made Con Thien a living hell Being at Con Thien came to be ruefully referred to by the Marines stationed there as time in the barrel because they were targets as easy as fish in a barrel More than a retelling of military movements Coan s engrossing narratives focus on the sheer sacrifice and misery of one Marine s experience in Vietnam Through his eyes we experience the abysmal conditions the Marines endured from monsoon rainstorms to the constant threat of impending attack Climatic moments in history are captured through the rare personal perspective of one particularly astute and observant participant

MIGHTY HANDS Paul T. Entrekin, 2011-11-04 Following the completion of an aerobatic maneuver during an airshow in my MiG 15 I was doing a repositioning turn known in aviator parlance as a tuck under break At approximately 50 feet above the ground and moving at close to 300 miles per hour upside down and halfway through a roll with particularly poor timing the improperly re installed instrument panel somehow decided that now would be an appropriate time to release itself onto my feet and lap Despite all the skill I could muster momentum inertia and gravity were winning the fight as I once again found myself bracing for what I hoped would be a painless demise And again I was miraculously pulled from an imminent death by what can only be described as divine intervention God s Mighty Hands This is

the story of a life punctuated by victory over adversity through the grace of God **Air University Library Index to Military Periodicals** ,1997 **The Leatherneck** ,1997 **The United States Marine Corps in Books and the Performing Arts** Richard L.
