

The background of the entire page is a high-contrast, close-up photograph of several Timken bearings. In the upper left, a bearing is shown from a side-on perspective, revealing its inner ring, outer ring, and the arrangement of balls. The word 'TIMKEN' is visible on the inner ring. In the lower half, two more bearings are shown, but from a top-down perspective, focusing on the smooth, polished surfaces of the inner and outer rings. The lighting creates bright highlights and deep shadows, emphasizing the metallic texture and precision engineering of the components.
