Bog Medved Merry Christmas Russian:

The Making of the New Martyrs of Russia Karin Christensen, 2017-10-02 Following the end of the Soviet Union the Russian Orthodox Church has canonized a great number of Russian saints Whereas in the first millennium of Russian Christianity 988 1988 the Church recognized merely 300 Russian saints the number had grown to more than 2 000 by 2006 This book explores the remarkable phenomenon of new Russian martyrdom It outlines the process of canonization examines how saints are venerated and relates all this to the ways in which the Russian state and its people have chosen to remember the Soviet Union and commemorate the victims of its purges The book includes in depth case studies of particular saints and examines the diverse ways in which they are venerated **The 5 Big Lies About American Business** Michael

Medved, 2010-11-02 WHY FEEL EMBARRASSED BY BUSINESS Every American benefits every day from the phenomenal productivity of the free market so why do so many people feel guilty or skeptical about our business system In this passionately argued eye opening book talk radio star and bestselling author Michael Medved provides detailed and devastating rebuttals to the most widely circulated smears against capitalism MYTH Big business is bad small business is good TRUTH Every big business began life as a small business and every small business today yearns for enough success to become a big business tomorrow For some products like cars or electrical power little companies can't benefit their workers or customers as reliably as huge corporations MYTH Business executives are overpaid and corrupt TRUTH Top leaders will always command top dollar and a company can't limit executive pay without limiting its access to talent Ferocious long term competition in the corporate world ultimately rewards focus and hard work not short cuts and corruption MYTH You can count on better treatment from the government than from business TRUTH If a private company deals with you poorly you can take your business elsewhere But with the government's power you get only two choices compliance or jail Medved responds to business bashing lies with the slashing wit irrefutable facts fascinating historical nuggets illuminating anecdotes and liberating clarity that made him one of the top ten talk radio hosts in the United States This audacious and urgently needed book provides energy and inspiration for a beleaguered free market system poised for its unstoppable comeback
