Atlas Of The Middle East And Northern Africa:

Atlas of the Middle East and Northern Africa Hammond World Atlas Corporation, 2006 Features political physical and thematic maps of the Middle East and North Africa and includes information on the geography people government and economy of 25 countries **The Cambridge Atlas of the Middle East and North Africa** Gerald Blake, John Dewdney, Jonathan Mitchell, 1989-07 This atlas is a topical reference source with emphasis on economic and social developments **The Atlas of Economic Complexity** Ricardo Hausmann, Cesar A. Hidalgo, Sebastian Bustos, Michele Coscia, Alexander Simoes, 2014-01-17 Maps capture data expressing the economic complexity of countries from Albania to Zimbabwe offering current economic measures and as well as a guide to achieving prosperity Why do some countries grow and others do not The authors of The Atlas of Economic Complexity offer readers an explanation based on Economic Complexity a measure of a society's productive knowledge Prosperous societies are those that have the knowledge to make a larger variety of more complex products The Atlas of Economic Complexity attempts to measure the amount of productive knowledge countries hold and how they can move to accumulate more of it by making more complex products Through the graphical representation of the Product Space the authors are able to identify each country's adjacent possible or potential new products making it easier to find paths to economic diversification and growth In addition they argue that a country's economic complexity and its position in the product space are better predictors of economic growth than many other well known development indicators including measures of competitiveness governance finance and schooling Using innovative visualizations the book locates each country in the product space provides complexity and growth potential rankings for 128 countries and offers individual country pages with detailed information about a country's current capabilities and its diversification options The maps and visualizations included in the Atlas can be used to find more viable paths to greater productive knowledge and prosperity [Atlas the Midd East and North Africa](#) I. B. Tauris & Company, Limited, 2005-01 Atlas for the Middle East and North Africa [Uranium Geology of the Middle East and North Africa](#) Fares Howari, Abdelaty Salman, Philip Goodell, 2021-11-02 Uranium Geology of the Middle East and North Africa demonstrates mining potential in the MENA region with a special interest given to Uranium The formation and origin of uranium deposits is of interest for uranium exploration and is necessary for the long term sustainability of nuclear energy production The book proposes a new classification system built on earlier classification with detailed new maps explanatory diagrams cross sections helpful satellite images etc In addition it explains why the occurrences depositional and geological environments of uranium in the Middle East and North Africa vary from one country to another Using various related recognition criteria the book reports the potential uranium provinces in the Middle East and North Africa countries The definition of these provinces is based on the existing geologic and tectonic settings along with geochronological sequences and geochemical characteristics Presents a comprehensive overview of uranium resources and resource potential across the Middle East and North Africa Proposes a

new system of metallogenic and tectonic classification for uranium ore deposits Includes case studies from each country in the region **World Mapping Today** Bob Parry,Chris Perkins,2011-12-22 No detailed description available for World Mapping Today *Atlas of the World's Languages* R.E. Asher,Christopher Moseley,2018-04-19 Before the first appearance of the Atlas of the World's Languages in 1993 all the world's languages had never been accurately and completely mapped The Atlas depicts the location of every known living language including languages on the point of extinction This fully revised edition of the Atlas offers up to date research some from fieldwork in early 2006 a general linguistic history of each section an overview of the genetic relations of the languages in each section statistical and sociolinguistic information a large number of new or completely updated maps further reading and a bibliography for each section a cross referenced language index of over 6 000 languages Presenting contributions from international scholars covering over 6 000 languages and containing over 150 full colour maps the Atlas of the World's Languages is the definitive reference resource for every linguistic and reference library World and Its Peoples Marshall Cavendish,2006-09 Describes the geography people culture and politics of the countries of the Middle East Central Asia and North Africa *An Atlas of Middle Eastern Affairs* Ewan W. Anderson,Liam D. Anderson,2013-12-04 This revised and updated atlas provides accessible concisely written entries on the most important current issues in the Middle East combining original maps with their geopolitical background Providing a clear context for analysis of key concerns it includes background topics the position of the Middle East in the world and profiles of the constituent countries **Atlas of Travel and Tourism Development** Myra Shackley,2007-03-14 From travel in the ancient and classical world to the growth of underwater tourism in the Great Barrier Reef and the influence of the Gulf War on regional tourism the Atlas of Travel and Tourism Development is a new departure from conventional texts providing a unique overview of the growth of the tourism industry Divided into three sections the text looks first at the past examining the influence of global geography on travel patterns and provides an overview of the history of travel and tourism It then moves onto the present using a regional framework to demonstrate how the physical and historical geography of each area is related to tourism development The final section provides a forecast of future trends for the next two decades
