in Hebrew its original language will you begin to understand the richness of the Word of Elohim As Christians it s time to reconnect to the Jewish Roots of our faith Rabbi Deborah Brandt Deborah s Messianic Ministries Beit Midrash Tefillah Hallel Congregation and Vice President and Instructor at The Judaic Studies Institute and University Dr Maria Goldstein THANK YOU for writing this incredible book As a Hebrew Christian for 46 years I have never read anything like this It solves the mystery of the Hebrew alphabet and reveals Yeshua Jesus as the Son of God Many of my questions have finally been answered by this book which I highly and enthusiastically recommend Pastor Meyer Stahl Southern New Mexico Church of God author founder producer TV and radio host of What is Truth The 22 sacred letters of the Hebrew language are profound and spiritual since the language spoken by God in the Bible is made up from these letters By trying to understand God s word we can learn even more by understanding the meaning of the letters that brought forth creation Rev Dr Maria Goldstein does a wonderful job of revealing some of these mysteries and their relation to Messiah Yeshua Rabbi George Quinn Beth Israel Messianic Center El Paso TX Hebrew is a constructive language and as such even the letters must be considered when determining the meaning of the words A Jewish story goes as follows When God asked Adam to name the animals Adam so filled with the knowledge of the Hebrew letters was able to look at each creature and knew which letters God used to bring that creature into existence Those letters then became the name that Adam gave to each creature So Adam did not so much as name the animals as much as being filled with the knowledge of the letters he knew the name God had already given them Dr Goldstein s Mystery of the Hebrew Letter Jesus Revealed is a wonderful little gem conveying some key elementary points of each Hebrew letter This primer should be taken as a first step into the larger world of understanding the very Word of God the Bible Rabbi Gary Hartshorn Las Cruces NM *The Battle of The Sexes: It's Been Downhill Since The Garden* H.R. Boaz,2021-05-08 The Battle of the Sexes explores how the Word of God YHWH both the Old Testament and the New Testament has been twisted to support a narrative that is not in the Scriptures Traditional translations and teachings of the Bible have either presumed or assumed that men are given power and dominion over women But nowhere in the Bible is this statement made not even in Genesis Bereishis 3 16 And your husband will rule over you which is not spoken as an imperative but rather as a prophecy The original Hebrew language of the first five books of Moses also known as the Torah Old Testament tells a very different story of the primal couple A story that is contrary to what is often taught in all religions that use the Word of YHWH as their foundation namely Judaism Christianity and Islam With an abbreviated overview of human history as told from YHWH s point of view we discover a connection of how all cultures have come to share similar myths legends and stories with the Torah And how these ancient archetypes of good and evil have been misused to support a psychological and socio political advantage of men over women Likewise a brief foray into the unique Hebrew language the ancient language in which YHWH created our world and dictated the Torah to Moses provides proof that the Word of God is indeed communication from another dimension Like a massive encrypted message the Torah includes multiple levels of God

given fences that protect the Word of God from man's distorted perspective. The Hebrew language itself provides the most significant fence. Like no other language, each Hebrew word defines itself by the letters that make up the word. This is only one feature of the holy text that assures that the instructions of YHWH remain intact regardless of man's interpretations. *The Battle of the Sexes* is an examination from a fresh viewpoint into the issues that arise between the genders which stem from the original disobedience of God's one instruction by the primal couple in the Garden of Eden. *Gan Eden*. We see a more complete perspective of who did what in the initial defiance and how we continue to struggle in the female-male relationship with those very same issues first raised in *Gan Eden*. Moreover, with clarity, the Hebrew language reveals a much greater significance of the female to the human experience than is typically taught in any religion. Exposed in her Hebrew name, which is not usually translated properly, is her irrefutable role in God's plan of salvation for the human race. God did not make women subservient to men, and YHWH did not give men or women dominion over anything but the animals and the earth to utilize as God intends. Humanity is to work together, not to manipulate or fight to assume power over one another. Nowhere is this idea more consequential than in the marriage relationship. Being the preeminent human relationship, YHWH presents marriage as the foundation for all other human relationships. From Bereishis, the beginning creation of our world and the human creature, undergirding the arrogant, impudent presumption that men are to rule over women is the equally destructive fallacy that God is masculine. *The Battle of the Sexes* explores how, from the initial verses and chapters of the first book of Torah, the book of Genesis, we begin to understand how, as the Jewish Sages say, with the change of one letter, the world is destroyed. With the misinterpretation and misunderstanding of one Hebrew word, *adam*, our modern grasp of the essence of YHWH and the female-male relationship as described in Torah has been distorted and all but destroyed. *The Battle of the Sexes* is sure to not only answer but raise many questions regarding the female-male relationship as well as humanity's relationship with God.
