Between Voice And Silence Women And Girls Race And Relationships:

Between Voice and Silence Jill McLean Taylor, Carol Gilligan, Amy M. Sullivan, 1995 The result is a deeper and richer appreciation of girls development and women s psychological health **Sisterhood, Interrupted** Deborah Siegel, 2007-06-12 Contrary to clichés about the end of feminism Deborah Siegel argues that younger women are reliving the battles of its past and reinventing it with a vengeance From feminist blogging to the popularity of the WNBA girl culture is on the rise A lively and compelling look back at the framing of one of the most contentious social movements of our time Sisterhood Interrupted exposes the key issues still at stake outlining how a twenty first century feminist can reconcile the personal with the political and combat long standing inequalities that continue today *Comprehending Care* Tove Pettersen, 2008-03-11 American psychologist Carol Gilligan holds that dominant ethical theories with their strong emphasis on rights and justice fail to see how care is an indispensable part of moral life This failure weakens their credibility as adequate universal ethical theories In *Comprehending Care* Tove Pettersen investigates whether an ethics of care really does give voice to a normative perspective that traditional moral theory has disregarded More specifically she considers whether Carol Gilligan s own theoretical contribution is an ethical theory of care and if it is likely to contribute to such a revised understanding Pettersen argues that central elements in a consistent and justifiable ethics of care theory can in fact be extracted from her works and is an ethics that to some extent challenges traditional ethical theories by revealing some of their ontological and epistemological inadequacies such as tacit assumptions unforeseen disturbing implications and deficient moral categories Within Gilligan s theoretical stance Pettersen finds suggestions for necessary revisions to remedy the flawed or deficient understanding generated by traditional ethical theory She argues however that Gilligan exaggerates her general critique of Western moral philosophy and specifically of the justice tradition and she exposes how Gilligan s portrayal of this tradition is misguided in places arguing that accommodating the concerns of justice is a central challenge yet to be met for an ethics of care *Girls in Power* Laura Fingerson, 2012-02-01 *Girls in Power* offers a fascinating and unique look at the social aspects of menstruation in the lives of adolescent girls and also in the lives of adolescent boys Although there has been much research on other aspects of gender and the body this is one of the few books to examine menstruation and the first to explore how it plays a part in power interactions between boys and girls Talking openly in single and mixed gender settings individuals and groups of high school age girls and boys share their interpretations and experiences of menstruation Author Laura Fingerson reveals that while teens have negative feelings about menstruation teen girls use their experiences of menstruation as a source of embodied power in their interactions with other girls and with boys She also explores how boys deal with their own reduced power The book extends our theoretical and analytical understanding of youth gender power and embodiment by providing a more balanced view of adolescent social life *The Birth of Pleasure* Carol Gilligan, 2003-08-12 The author of the classic *In a Different Voice* offers a brilliant provocative book

about love that has powerful implications for the way we live and love today Compelling A thrilling new paradigm The Times Literary Supplement Carol Gilligan whose *In a Different Voice* revolutionized the study of human psychology now asks Why is love so often associated with tragedy Why are our experiences of pleasure so often shadowed by loss And can we change these patterns Gilligan observes children at play and adult couples in therapy and discovers that the roots of a more hopeful view of love are all around us She finds evidence in new psychological research and traces a path leading from the myth of Psyche and Cupid through Shakespeare's plays and Freud's case histories to Anne Frank's diaries and contemporary novels

Adolescents at School, Third Edition Michael Sadowski, 2021-02-01 *Adolescents at School* brings together the perspectives of scholars educators and researchers to address the many issues that affect adolescents emerging identities especially in relation to students experience of and engagement with school The book offers current and preservice teachers a practical understanding of the concept of identity development particularly as impacted by such factors as race ethnicity gender sexual orientation ability disability immigration and social class This third edition includes new chapters on boys emotional lives risk and resilience in girls the experiences of undocumented immigrant students Muslim American youth and income inequality features on teaching while white and an extensively updated chapter on LGBTQ students The book expands on the strengths and insights of the previous editions while also touching on issues highly relevant to contemporary youth such as social media youth activism and immigration A practical and insightful volume *Adolescents at School* points to ways to foster the success of every student in our schools and classrooms

The Shriver Report Maria Shriver, The Center for American Progress, 2014-01-11 Facts figures and essays on women and poverty by Barbara Ehrenreich Kirsten Gillibrand LeBron James and other high profile contributors Fifty years after President Lyndon B Johnson called for a War on Poverty and enlisted Sargent Shriver to oversee it the most important social issue of our day is once again the dire economic straits of millions of Americans One in three live in poverty or teeter on the brink and seventy million are women and the children who depend on them The fragile economic status of millions of American women is the shameful secret of the modern era yet these women are also our greatest hope for change and our nation's greatest undervalued asset The *Shriver Report A Woman's Nation Pushes Back from the Brink* asks and answers big questions Why are millions of women financially vulnerable when others have made such great progress Why are millions of women struggling to make ends meet even though they are hard at work What is it about our nation government business family and even women themselves that drives women to the financial brink And what is at stake To forge a path forward this book brings together a power packed roster of big thinkers and talented contributors in a volume that combines academic research personal reflections authentic photojournalism groundbreaking poll results and insights from frontline workers political religious and business leaders and major celebrities all focused on a single issue of national importance women and the economy A startling wake up call for policymakers and anyone hoping to survive a culture that siphons wealth upward to a very powerful few Booklist Contributors include Carol

Gilligan PhD Barbara Ehrenreich Beyonc Knowles Carter LeBron James Anne Marie Slaughter Kirsten Gillibrand Hillary Rodham Clinton Tory Burch Sister Joan Chittister Arne Duncan Kathleen Sibelius Howard Schultz and more *Student Development in College* Nancy J. Evans, Deanna S. Forney, Florence M. Guido, Lori D. Patton, Kristen A. Renn, 2009-11-05 The second edition of *Student Development in College* offers higher education professionals a clear understanding of the developmental challenges facing today's college students. Thoroughly revised and updated, this edition includes new integrative theories of student development, expanded coverage of social identity theories, a targeted focus on higher education related research, a current review of student development research and application, and reconceptualization of typology theories as a way to understand individual differences. Praise for the Second Edition of *STUDENT DEVELOPMENT IN COLLEGE*: *Student Development in College* is a rich, comprehensive exploration of the major theoretical perspectives that inform development. The authors' attention to nuances and complexities results in a substantive history of theory development and a careful story about how various perspectives evolved, yielding contemporary theorizing. The book is a masterful blend of theoretical lenses and their use in designing developmentally appropriate practice for diverse populations of contemporary college students. It is an excellent resource for all educators who work on college campuses. Marcia Baxter Magolda, Distinguished Professor, Educational Leadership, Miami University. This is an invaluable work for anyone seeking an introduction to college student development theories or those seeking to update their existing knowledge. It offers a thorough and complex review of both the foundational theories and the newer, often more culturally relevant theories and models. Raechele L. Pope, program coordinator, Higher Education Program, University at Buffalo. The original book was a tremendous contribution to the field of higher education and especially student affairs. After more than ten years, this revision is a timely and focused enhancement to the literature that nurtures quality professionals to think differently about topics relevant to our field. Well done a second time around. Gregory Roberts, executive director, ACPA College Student Educators International.

The Darkest Days of My Life Natasha S. Mauthner, 2002 The resulting depression, how it is experienced and how it might be relieved, is the subject of Natasha Mauthner's insightful and compassionate book, which recounts the stories of new mothers caught between a cultural ideal and a far more complex reality. **This Changes Everything** Christina Robb, 2007-03-06 How the work of Carol Gilligan, Jean Baker Miller, Judith Lewis Herman, and their colleagues brought democracy to our personal lives.
