Stephen Bales

Beyond Article 19 Libraries And Social And Cultural Rights:

Beyond Article 19 Julie Biando Edwards, Stephan P. Edwards, 2010 Beyond Article 19 Libraries and Social and Cultural Rights addresses the subject of libraries and cultural rights a topic that has received relatively little attention in the past but which librarians and others concerned with human rights are beginning to recognize and talk about Librarians have long been concerned with individual rights and have worked tirelessly indeed making it a basic tenet of the profession to protect and preserve those rights Little has been written about the role that libraries can play in protecting and promoting group rights specifically cultural rights This book examines this shortfall by exploring the relationship between libraries cultural rights and community life and identity

Using Massive Digital Libraries Andrew Weiss, 2014-07-18 In this thought provoking and unabashedly optimistic book he explores how massive digital libraries are already adapting to society's needs and looks ahead to the massive digital libraries of tomorrow

Libraries, Human Rights, and Social Justice Paul T. Jaeger, Natalie Greene Taylor, Ursula Gorham, 2015-06-10 Libraries Human Rights and Social Justice Enabling Access and Promoting Inclusion examines the interrelationships between digital literacy digital inclusion and public policy emphasizing the impacts of these policy decisions on the ability of individuals and communities to successfully participate in the information society It is the first large scale consideration of digital literacy and digital inclusion as policy problems and provides policy recommendations to promote digital literacy and digital inclusion This book is intended to help librarians better understand and articulate their roles in promoting human rights and social justice as well as to educate policymakers government officials professionals in other fields and researchers in other disciplines about the contributions of libraries to human rights and social justice It explores the intersections of information human rights and social justice from a range of perspectives and addresses the differing roles of library institutions public school academic and special libraries library professionals professional organizations governments and library patrons Discussion focuses on the practical side of human rights and avoids most of the philosophical discussions of the term Similarly this book emphasizes the practical nature of social justice and the social and societal structures that foster equality Related issues of digital literacy and digital inclusion are considered as essential to providing information in human rights and social justice contexts Digital literacy the ability to use the Internet to meet information combines with access to the Internet in order to successfully apply the skills of digital literacy is discussed under the topic of digital inclusion These topics are discussed through legal policy social cultural and economic lenses Issues are examined both in terms of efforts to support equity in communities as a whole and the efforts intended to promote equity in specific disadvantaged or marginalized populations such as the homeless immigrants people with disabilities and the socioeconomically disadvantaged Many examples of the issues discussed are drawn from the original research that the authors have conducted The ideas and suggestions in this book should help members of the library community understand where their roles related to human rights and social justice originate how they fit within the broader

policy context how to improve their related services and practices and how to advocate for better support of these roles The authors of this book have been involved in this research for many years and this breadth allows the book to offer comprehensive policy recommendations solutions and best practices for an area that is currently extremely fragmented The writing is at a level to make it useful to undergraduate and postgraduate students researchers and policy makers

Ethics and Values in Librarianship Wallace Koehler, 2015-09-01 *Ethics and Values in Librarianship* A History addresses the processes of development of library and information sciences largely but not exclusively in a western context It focuses on the field's ethics and values Here Wallace Koehler a leading researcher in the area of information ethics debunks the prevailing notion that library and information science concepts and ethics have and remain constant He demonstrates that in almost all areas of practice this is simply not so Instead of staying the same our professional ethics and standards have evolved or shifted in their application as well as in the recognition of those standards by practitioners and users Some of these changes are of very recent etiology Topics covered include the freedom of expression intellectual freedom libraries and democracy intellectual property copyright and fair use and professional qualifications and credentialing Koehler examines the development of and changes to library and information science through practice and the writings of library and information theorists and practitioners from Varro during the reign of Julius Caesar to the present He documents technological and social changes that have had foundational implications for the information professions and argues that ethical standards may be redefined overtime and new standards may emerge older precepts and newer ones coexist Not only a history this is also one of the few contemporary books suitable for use in foundational courses and courses covering information and library ethics

International Copyright and Access to Knowledge Sara Bannerman, 2016-02-19 The principle of Access to Knowledge A2K has become a common reference point for a diverse set of agendas that all hope to realize technological and human potential by making knowledge more accessible This book is a history of international copyright focused on principles of A2K and their proponents Whilst debate and discussion so far has covered the perspectives of major western countries the author's fresh approach to the topic considers emerging countries and NGOs who have fought for the principles of A2K that are now fundamental to the system Written in a clear and accessible style the book connects copyright history to current problems issues and events

Historical Dictionary of Human Rights Jacques Fomerand, 2014-02-18 This dictionary has more than 1000 cross referenced entries on terminology conventions treaties intergovernmental organizations in the United Nations family or regional bodies and the constantly expanding universe of non governmental organizations as well as some of the pioneers and defenders of human rights

Library and Information Science Michael F. Bemis, 2014-03-03 This unique annotated bibliography is a complete up to date guide to sources of information on library science covering recent books monographs periodicals and websites and selected works of historical importance In addition to compiling an invaluable list of sources Bemis digs deeper examining the strengths and

weaknesses of key works A boon to researchers and practitioners alike this bibliography Includes coverage of subjects as diverse and vital as the history of librarianship its development as a profession the ethics of information science cataloging reference work and library architecture Encompasses encyclopedias dictionaries directories photographic surveys statistical publications and numerous electronic sources all categorized by subject Offers appendixes detailing leading professional organizations and publishers of library and information science literature This comprehensive bibliography of English language resources on librarianship the only one of its kind will prove invaluable to scholars students and anyone working in the field

Social Justice and Library Work Stephen Bales, 2017-10-18 Although they may not have always been explicitly stated library work has always had normative goals Until recently such goals have largely been abstract they are things like knowledge creation education forwarding science preserving history supporting democracy and safeguarding civilization The modern spirit of social and cultural critique however has focused our attention on the concrete material relationships that determine human potentiality and opportunity and library workers are increasingly seeing the institution of the library as well as library work as embedded in a web of relations that extends beyond the library's traditional sphere of influence In light of this critical consciousness more and more library and information science professionals are coming to see themselves as change agents and front line advocates of social justice issues This book will serve as a guide for those library workers and related information professionals that disregard traditional ideas of library neutrality and static idealized conceptions of Western culture The book will work as an entry point for those just forming a consciousness oriented towards social justice work and will be also be of value to more experienced transformative library workers as an up to date supplement to their praxis Justifies the use of a variety of theoretical and practical resources for effecting positive change Explores the role of the librarian as change agents

Intersections of Law and Culture at the International Criminal Court Julie Fraser, Brianne McGonigle Leyh, 2020-10-30 This pioneering book explores the intersections of law and culture at the International Criminal Court ICC offering insights into how notions of culture affect the Court's legal foundations functioning and legitimacy both in theory and in practice

Books Across Borders Miriam Intrator, 2019-06-19 Books Across Borders UNESCO and the Politics of Postwar Cultural Reconstruction 1945-1951 is a history of the emotional ideological informational and technical power and meaning of books and libraries in the aftermath of World War II examined through the cultural reconstruction activities undertaken by the Libraries Section of the United Nations Educational Scientific and Cultural Organization UNESCO The book focuses on the key actors and on the ground work of the Libraries Section in four central areas empowering libraries around the world to acquire the books they wanted and needed facilitating expanded global production of quality translations and affordable books participating in debates over the contested fate of confiscated books and displaced libraries and formulating notions of cultural rights as human rights Through examples from France Poland and surviving Jewish Europe this book provides new insight into the complexities and specificities of UNESCO's role

in the realm of books libraries and networks of information exchange during the early postwar post Holocaust Cold War years

Beyond Article 19 Libraries And Social And Cultural Rights Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Beyond Article 19 Libraries And Social And Cultural Rights PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Beyond Article 19 Libraries And Social And Cultural Rights PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property

rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Beyond Article 19 Libraries And Social And Cultural Rights free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Beyond Article 19 Libraries And Social And Cultural Rights Books

1. Where can I buy Beyond Article 19 Libraries And Social And Cultural Rights books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
