Beyond Quality in Early Childhood Education and Care Gunilla Dahlberg, Peter Moss, Alan Pence, 2013-10-23 Taking a broad approach *Beyond Quality in Early Childhood Education and Care* relates issues of early childhood to the sociology of childhood philosophy ethics political science and other fields and to an analysis of the world we live in today It places these issues in a global context and draws on work from Canada Sweden and Italy including the world famous nurseries in Reggio Emilia Working with postmodern ideas this book questions the search to define and measure quality in the early childhood field and its tendency to reduce philosophical issues of value to purely technical and managerial issues of expert knowledge and measurement With a brand new Preface to this classic text the authors argue that there are other ways than the discourse of quality for understanding and evaluating early childhood pedagogical work and relate these to alternative ways of understanding early childhood itself and the purposes of early childhood institutions *Beyond Quality in Early Childhood Education and Care* Gunilla Dahlberg, Peter Moss, Alan R. Pence, 2007 Taking a broad approach this edition relates issues of early childhood to the sociology of childhood philosophy ethics political science and to an analysis of the world we live in today **Beyond Quality in Early Childhood Education and Care** Gunilla Dahlberg, Peter Moss, Alan R. Pence, 1999 Working with postmodern ideas *Beyond Quality in Early Childhood Education and Care* challenges received wisdom and the tendency to reduce philosophical issues of value to purely technical issues of measurement and management In its place it offers alternative ways of understanding early childhood early childhood institutions and pedagogical work It gives full consideration to the importance of social construction and meaning making and to documentation and dialogue The book places issues of early childhood into a global context and relates them to writers from many fields Drawing on work with aboriginal peoples in Canada on the experience of Reggio Emilia in Italy and on a project in Stockholm inspired by Reggio the book considers the implications of these alternative ways of understanding for practice and a reconceptualization of early childhood education and care *Beyond Quality in Early Childhood Education and Care* Gunilla Dahlberg, Peter Moss, Alan Pence, Dr Alan Pence, 2007-01-24 This book challenges received wisdom and the tendency to reduce philosophical issues of value to purely technical issues of measurement and management **Early Childhood Education and Care Quality in Europe and the USA** Konstantina Rentzou, Ruslan Slutsky, 2020-05-21 This book captures information about early childhood education and care ECEC policies and practices in different countries and aims to question the degree to which these countries have managed to meet the needs of children families and the ECEC workforce The book illustrates how different countries have adapted different strategies focusing on policy when it comes to quality ECEC The goal of the book is twofold First and foremost it aims to present key findings and challenges for improving ECEC as a whole Second it aims to highlight problems and concerns which the field of ECEC faces with respect to delivering high quality care and education to all children As neither ECEC nor quality are universal concepts but are shaped by social cultural values as well as national

economic and political contexts in which ECEC services are provided this cross country volume is extremely relevant for fully understanding issues in the field of ECEC This book was originally published as a special issue of Early Child Development and Care *Teachers' and Families' Perspectives in Early Childhood Education and Care* Sivanes Phillipson, Susanne Garvis, 2019-01-30 The second volume in this Early Childhood Education in the 21st Century International Teaching Family and Policy Perspectives miniseries focuses on teacher and family perspectives of early childhood education and care from 19 different countries around the world The aim of this volume is to articulate the key components of teacher education and family practices that impact young children s education and care Each country featured in this volume presents its own unique perspective in relation to the cultural and societal constraints around teacher training and or family practices and the thinking around those practices that are important for early childhood development Offering a unique insight into how teachers and families work together in different countries the book is essential reading for early childhood educators researchers early childhood organisations policy makers and those interested to know more about early childhood within an international perspective **Quality Improvement in Early Childhood Education** Susanne Garvis, Hillevi Lenz Taguchi, 2021-08-28 This book explores international perspectives on quality improvement within the field of early childhood education and care Many countries and governments are focusing on preschool quality as a way to improve entrenched inequalities and reduce social disadvantage and segregation this book draws together various global case studies to showcase how different countries tackle aspects of quality improvement The concept of quality is understood in different ways both culturally and contextually and the implementation of measures to improve quality will differ from country to country The book draws together case studies from numerous contexts to showcase various ways of working with aspects of quality improvement Sharing important insights into policy and practice this book guides a shared understanding of the complex nature of quality improvement within early childhood education and care **Early Child Care and Education in Finland** Kaarina Määttä, Satu Uusiautti, 2014-06-11 What is childhood like in Finland What kind of practical solutions have been created and evaluated that aim at both providing good childhood experiences and supporting children s positive development What practices aim to prevent child exclusion from regular education and social experiences and to foster children s healthy development in emotional social and behavioural terms This book considers the reality of childhood in Finland It discusses the realisation and evaluation of early childhood education and addresses aspects of research and practice concerning children under the age of 10 It examines the growth and development of young children how learning and teaching are organised practices of rearing children and the state of child care in Finland Contributors represent a variety of universities and sub disciplines in the science of education and focus on perspectives of children s well being special viewpoints of early childhood education care and research in Finland This book was originally published as a special issue of Early Child Development and Care *Professional Development and Quality in Early Childhood Education*
