Beyond The Ides Why March Is The Unluckiest Month Of All:

Beyond the Ides Craig McGuire, 2015 *Job Corps Happenings*, 1979 **Popular Beliefs and Superstitions from Utah** Anthon Steffensen Cannon, Wayland Debs Hand, Jeannine Talley, 1984 **The Mammoth Book of Superstition** Roy Bainton, 2016-11-10

Rather than providing a dictionary of superstitions of which there are already numerous excellent exhaustive and in many cases academic works which list superstitions from A to Z Bainton gives us an entertaining flight over the terrain landing from time to time in more thought provoking areas He offers an overview of humanity's often illogical and irrational persistence in seeking good luck and avoiding misfortune While Steve Roud's two excellent books *The Penguin Dictionary of Superstitions* and his *Pocket Guide* and Philippa Waring's 1970 *Dictionary* concentrate on the British Isles Bainton casts his net much wider There are many origins which warrant the full back story such as Friday the thirteenth and the Knights Templar or the demonisation of the domestic cat resulting in cat holocausts throughout Europe led by the Popes and the Inquisition The whole is presented as a comprehensive entertaining narrative flow though it is of course a book that could be dipped into and includes a thorough bibliography Schoenberg who developed the twelve tone technique in music was a notorious triskaidekaphobe When the title of his opera *Moses und Aaron* resulted in a title with thirteen letters he renamed it *Moses und Aron* He believed he would die in his seventy sixth year 7 6 13 and he was correct he also died on Friday the thirteenth at thirteen minutes before midnight As Sigmund Freud wrote Superstition is in large part the expectation of trouble and a person who has harboured frequent evil wishes against others but has been brought up to be good and has therefore repressed such wishes into the unconscious will be especially ready to expect punishment for his unconscious wickedness in the form of trouble threatening him from without *The Roman Republic, History, Myths, Politics, and Novelistic Historiography* Miguel A. Faria, Jr., 2025-06-09

The history of the Roman Republic has been shrouded in myth assailed by gaps in historical knowledge and even immersed in political biases But in this book the author has succeeded in penetrating the mist using both ancient and modern sources as well as numismatic information and other illustrative materials and artforms He narrates the history of ancient Rome from its beginnings with the legendary seven kings of Rome the founding and struggles of the Republic the wars of conquests and civil wars to the collapse of the Republic and the inception of the Roman Empire with Augustus Peace is finally established and the Augustan Renaissance and the Pax Romana followed hinting at the course of Western civilization One lesson is learned Liberty and civic duties are too valuable to be forsaken for the material safety of bread and circuses because in the end citizens so partaking may end up with neither liberty nor safety **Paranormal Experiences** D.E. Pope, 2022-04-28

I became a very popular ghost tour guide for one of the premiere tour companies in Gettysburg After five years and entertaining tens of thousands of guests I have had just about every thrilling paranormal experience that one could imagine I am excited to share some of these experiences with you My enthusiasm and success are a direct result of my passion and infinity for all things Gettysburg most notably its storied history

I was fortunate enough to share some of these stories on several of the most notable paranormal shows on television of which are still in syndication today I consider this five year run as a ghost tour guide the most exciting five years of my life

Afterlands Steven Heighton,2010-06-11 From acclaimed writer Steven Heighton comes an utterly compelling story set in an age of rising nationalism and growing intolerance Afterlands re imagines the true story of two men and a woman who along with sixteen unlucky companions were cast adrift on an ice floe after the 1872 Polaris expedition failed Roland Kruger a German immigrant finds himself drawn to the mysterious Inuit woman Tukulito while George Tyson the compromised leader of the expedition faces a mutiny as supplies run low But it is only when Tyson publishes his dangerously dishonest account of the polar events a few years afterward that the full effects of those tragic months of hardship and deprivation are felt Afterlands is a novel rich with unrequited love divided loyalty and unsettled scores This novel is a triumph of storytelling from one of Canada s most acclaimed writers Gripping and beautiful it is a scintillating exploration of the extremes of human experience Afterlands brilliantly examines both a devastating encounter with the natural world and the unrelenting demands of the human heart **The Southern Agriculturist** J. D. Legare,1846 Stock Trader's Almanac 2016 Jeffrey A.
