## **Body Politics In Development Critical Debates In Gender And Development:**

**Body Politics in Development** Wendy Harcourt, 2009-10-15 *Body Politics in Development* sets out to define body politics as a key political and mobilizing force for human rights in the last two decades This passionate and engaging book reveals how once tabooed issues such as rape gender based violence and sexual and reproductive rights have emerged into the public arena as critical grounds of contention and struggle Engaging in the latest feminist thinking and action the book describes the struggles around body politics for people living in economic and socially vulnerable communities and covers a broad range of gender and development issues including fundamentalism sexualities and new technologies from diverse viewpoints The book s originality comes through the author s rich experience and engagement in feminist activism and global body politics and was winner of the 2010 FWSA Book Prize

**Body Politics in Development** Wendy Harcourt, 2009 *Body Politics in Development* sets out to define body politics as a key political and mobilizing force for human rights in the last two decades This passionate and engagingly written book reveals how once tabooed issues such as rape gender based violence sexual and reproductive rights have emerged fully fledged into the public arena as critical grounds of contention and struggle Engaging in the latest feminist thinking and action the book covers a broad range of key gender and development issues including women s human rights fundamentalism sexualities and new technologies It describes the struggles around body politics for people living in economic and socially vulnerable communities The viewpoints are diverse from the self family and community to the public at national and international levels The book s originality comes through the author s rich personal insights her own engagement in feminist activism global body politics women s movements and gender and development debates

*Body Politics in Development* Wendy Harcourt, 2013-04-04 *Body Politics in Development* sets out to define body politics as a key political and mobilizing force for human rights in the last two decades This passionate and engaging book reveals how once tabooed issues such as rape gender based violence and sexual and reproductive rights have emerged into the public arena as critical grounds of contention and struggle Engaging in the latest feminist thinking and action the book describes the struggles around body politics for people living in economic and socially vulnerable communities and covers a broad range of gender and development issues including fundamentalism sexualities and new technologies from diverse viewpoints The book s originality comes through the author s rich experience and engagement in feminist activism and global body politics and was winner of the 2010 FWSA Book Prize

*The Ashgate Research Companion to Feminist Legal Theory* Vanessa E. Munro, 2016-04-01 As a distinct scholarly contribution to law feminist legal theory is now well over three decades old Those three decades have seen consolidation and renewal of its central concerns as well as remarkable growth dynamism and change This Companion celebrates the strength of feminist legal thought which is manifested in this dynamic combination of stability and change as well as in the diversity of perspectives and methodologies and the extensive range of subject matters which are now included within its ambit Bringing together contributors from

across a range of jurisdictions and legal traditions the book provides a concise but critical review of existing theory in relation to the core issues or concepts that have animated and continue to animate feminism It provides an authoritative and scholarly review of contemporary feminist legal thought and seeks to contribute to the ongoing development of some of its new approaches perspectives and subject matters The Companion is divided into three parts dealing with Theory Concepts and Issues The first part addresses theoretical questions which are of significance to law but which also connect to feminist theory at the broadest and most interdisciplinary level The second part also draws on general feminist theory but with a more specific focus on debates about equality and difference race culture religion and sexuality The Issues section considers in detail more specific areas of substantive legal controversy

**Extraction/Exclusion** Stephanie Postar, Negar Elodie Behzadi, Nina Nikola Doering, 2023-11-24 Extraction Exclusion draws and builds on scholarship from across the social sciences to show that natural resource extraction is predicated on exclusions This innovative work portrays how inclusionary language and practices paradoxically often result in further exclusions concealing unchanged systems of domination and dispossession and reproducing violent exploitative processes on the ground

**International Service Learning** Marianne Larsen, 2015-12-14 International service learning ISL programs are growing more popular with students looking to advance their skills and knowledge to become global citizens While the benefits of these programs among students are well documented little is known about the implications they have on host communities themselves This volume explores the impact of ISL programs on members of host communities e.g. host families and local partner NGOs who are increasingly influenced by the presence of international students in their lives Drawing upon post colonial feminist and other critical and decolonizing theories it examines the complicated power relations between North American ISL students and host communities in East and West Africa the Caribbean and Central America It stresses the importance of developing trusting relations between ISL students faculty and individuals in the host communities to create mutually engaging learning experiences

**Bodies in Resistance** Wendy Harcourt, 2016-11-29 As part of the emerging new research on civic innovation this book explores how sexual politics and gender relations play out in feminist struggles around body politics in Brazil Colombia India Iran Mexico Nepal Turkey Nicaragua as well as in East Africa Latin America and global institutions and networks From diverse disciplinary perspectives the book looks at how feminists are engaged in a complex struggle for democratic power in a neoliberal age and at how resistance is integral to possibilities for change In making visible resistances to dominant economic and social policies the book highlights how such struggles are both gendered and gendering bodies The chapters explore struggles for healthy environments sexual health and reproductive rights access to abortion an end to gender based violence the human rights of LGBTIQ persons the recognition of indigenous territories and all peoples rights to care love and work freely The book sets out the violence hopes contradictions and ways forward in these civic innovations resistances and connections across the globe

*The Sage Handbook of Decolonial Theory* Jairo I.

Fúnez-Flores, Ana Carolina Díaz Beltrán, Sabelo J. Ndlovu-Gatsheni, Sandeep Bakshi, Augustin Lao-Montes, Flavia Rios, 2025-07-25 *The Sage Handbook of Decolonial Theory* is a groundbreaking transdisciplinary resource that expands the epistemological and geographical horizons of decolonial thought. This handbook prioritizes the Global South, fostering South-North and South-South inter-epistemic dialogues and situating decolonial thought in sites of struggle. It builds on decolonial thought and praxis from Latin America and the Caribbean, Africa, Asia, and Palestine among other regions and countries. Addressing the erasure of knowledge production from the Global South in dominant academic spaces, this handbook brings together decolonial scholars and activist intellectuals from the Global South and engages with politically committed scholars in the Global North. It emphasizes the geopolitics and ethics of knowledge production and the importance of situating one's work in historically excluded regions and communities. Organized into five parts, the handbook includes conceptual essays and empirical studies on decolonial thought and praxis. It covers a range of topics from decoloniality, geopolitics, and transdisciplinarity to decolonial feminisms, gender and sexuality studies, and racial capitalism. The chapters convey a sense of urgency and a committed political voice, demonstrating how decolonial theory can interrogate and intervene in the modern colonial, racial capitalist, heteropatriarchal world. *The Sage Handbook of Decolonial Theory* is not just for academics; it is written for anyone interested in radical thought and praxis. It recognizes decolonial theory as a plural and dynamic field concerned with power hierarchies, historiography, and epistemological critiques of Eurocentrism. Ultimately, it teaches us how to think with and act alongside struggles for liberation. Part I: Key Debates in Decolonial Theory; Part II: Geopolitics and Geographies; Part III: Transdisciplinarity; Part IV: Feminisms, Genders, Sexualities; Part V: Racial Capitalism. *The Global Status of Women and Girls*. Dawn Hutchinson, Lori Underwood, 2017-07-25. *The Global Status of Women and Girls: A Multidisciplinary Approach* fosters inquiries into the complex and multifocal issues faced by women and girls around the world, both historically and today. It not only asks key questions related to public policy but also unearths the forces that created these current dilemmas. Through the multidisciplinary study of past and present, contributors take on policy conversations benefiting the global community. This book will appeal to any scholar interested in communication and gender studies. *Practising Feminist Political Ecologies*. Wendy Harcourt, Ingrid L. Nelson, 2015-05-14. Destined to transform its field, this volume features some of the most exciting feminist scholars and activists working within feminist political ecology, including Giovanna Di Chiro, Dianne Rocheleau, Catherine Walsh, and Christa Wichterich. Offering a collective critique of the green economy, it features the latest analyses of the post-Rio 20 debates alongside a nuanced reading of the impact of the current ecological and economic crises on women, as well as their communities and ecologies. This new, politically timely and engaging text puts feminist political ecology back on the map.

## Unveiling the Power of Verbal Artistry: An Psychological Sojourn through **Body Politics In Development Critical Debates In Gender And Development**

In a world inundated with screens and the cacophony of quick communication, the profound power and psychological resonance of verbal artistry often fade into obscurity, eclipsed by the continuous onslaught of noise and distractions.
