Ashes Ashes The Twins Fall Down Twin Towers 9 Or 11:

Ashes Ashes the Twins Fall Down Pauline L. Hawkins, 2012-06-14 9 11 The Day That Defined a Generation Where were you on 9 11 That question has become part of the fabric of our lives as Americans On that bright sunny day none of us had any idea what was in store and how it would change our lives Depending on what part of the country you lived in you may not have known anything was going on until several hours after the first plane struck You may not have heard the news until you got to work turned on your car radio or received a call from a loved one asking if you had seen or heard the news *Ashes Ashes the Twins Fall Down* is a look at the events of 9 11 from personal and informational perspectives Author Pauline Hawkins who lived in Texas at the time of the attacks shares her experience of 9 11 and its repercussions for her family her job and how she viewed the world Pauline s story of coping with the news reframing how she thought about America and the world and making a conscious decision to become better informed will resonate with anyone who lived through 9 11 In addition to her personal testimony Pauline provides a thought provoking context for the events of 9 11 including political background social commentary and reflections on the contributions of everyday heroes You ll come away from this book both enlightened and comforted by Pauline s honesty and common sense as well as her heartfelt appreciation of those who sacrificed for our country and those who continue to work toward healing and rebuilding *Music in the Post-9/11 World*

Jonathan Ritter, J. Martin Daughtry, 2013-10-31 *Music in the Post 9 11 World* addresses the varied and complex roles music has played in the wake of September 11 2001 Interdisciplinary in approach international in scope and critical in orientation the twelve essays in this groundbreaking volume examine a diverse array of musical responses to the terrorist attacks of that day and reflect upon the altered social economic and political environment of post 9 11 music production and consumption Individual essays are devoted to the mass mediated works of popular musicians such as Bruce Springsteen and Darryl Worley as well as to lesser known musical responses by artists in countries including Afghanistan Egypt Mexico Morocco Peru and Senegal Contributors also discuss a range of themes including the role played by Western classical music in rites of mourning and commemoration invisible musical practices such as the creation of television news music and implicit censorship in the mainstream media Taken as a whole this collection presents powerful evidence of the central role music has played in expressing shaping and contesting worldwide public attitudes toward the defining event of the early twenty first century
