International Business Etiquette Ann Marie Sabath, 2002-12-03 International Business Etiquette: Asia and the Pacific Rim is the ideal guide for establishing and maintaining relationships in Asia, and it is as well suited to the first-time traveler as to the seasoned veteran. For quick reference, chapters are devoted to each of the countries covered and offer countless suggestions and sage advice that can help you get ahead, make the deal, and build relationships that matter. Topics include: Proper greetings and introductions; Business card etiquette; Body language; Questions to ask and topics to avoid; Meeting Manners; The art of business entertaining and mealtime etiquette; Special concerns for women doing business in Asia; When tipping is appropriate and when it is not.

Serving Library Users from Asia John Hickok, 2019-06-12 Asian populations are among some of the fastest growing cultural groups in the US. While books on serving other target groups in libraries have been published (e.g., disabled, Latino, seniors, etc.), few books on serving library users of Asian heritage have been written. Thus, the timely need for this book. Rather than a generalized overview of Asians as a whole, this book has 24 separate chapters, each on 24 specific Asian countries, cultures of East, Southeast, and South Asia, with a wealth of resources for understanding interacting with, outreaching to, and serving library users of each culture. Resources include cultural guides, both print and online; language helps with sample library vocabulary; Asian booksellers; nationwide cultural groups; professional literature; and more. Resources and suggestions are given for all three types of libraries: public, school, and academic, making this book valuable for all librarians. The demographics of each Asian culture, numbers and distribution, plus history of immigration and international student enrollment is also featured. As a bonus, each chapter spotlights a US public school and academic library.

providing model outreach to Asian library users Additionally this book provides a detailed description and analysis of libraries in each of the 24 Asian countries The history development facilities conditions technology classification systems and more of public school and academic libraries are all discussed with detailed documentation Country conditions influencing libraries and library use are also described literacy levels reading cultures languages and writing systems educational systems and more Based on the author s 15 years of research and travels to Asia this work is a must have for all librarians
