As You Go Creating A Missional Culture Of Gospel Centered Students:

As You Go Alvin Reid, 2014-02-27 Today's students long for a rich meaningful faith. They want something more than a moral code and therapeutic worship that leaves them unsatisfied and uninspired. Speaker, author, and evangelism professor Alvin L. Reid reveals a key to capturing students' hearts for life: a missional youth ministry. Through practical teaching and powerful application tools, discover how giving teens a grander purpose and vision and encouraging them to see all of life as a mission field transforms their faith, their lives, and the world. **Scholarship on Fire** Beau K. Brewer, 2021-11-12

Scholarship on Fire A History of the Chair of Fire and Southern Baptist Evangelism in Theological Education takes a step back into early twentieth century Texas Baptist history and observes the unveiling of the crown jewel of the Southern Baptist Convention: the Southwestern Baptist Theological Seminary and the events that led the forward-thinking architect of theological education, Benajah Harvey B. H. Carroll, to the creation of the world's first endowed chair of evangelism and professorship of evangelism at his newly formed Texas seminary. This book carries the reader through a 112-year history of an academic chair and professorship that both educated men and women in the art of personal and mass evangelism and provided the necessary evangelistic spirit to forge the fervent pioneering soul-winning denominational spirit that has thrust Southern Baptists to the forefront of evangelistic advancement since their inception in 1845. Studying the auspicious beginnings of evangelism taught in theological education will delve into the lives of the men who have taught Christians to reach their neighbors for Christ Jesus. The Chair of Fire has impacted all seminaries and Christian schools around the world because of the inclusion of evangelism in theological education. Stop Asking Jesus Into Your Heart J.D. Greear, 2013-02-01

If there were a Guinness Book of World Records entry for amount of times having prayed the sinner's prayer, I'm pretty sure I'd be a top contender, says pastor and author J.D. Greear. He struggled for many years to gain an assurance of salvation and eventually learned he was not alone. Lack of assurance is epidemic among evangelical Christians. In Stop Asking Jesus Into Your Heart, J.D. shows that faulty ways of presenting the gospel are a leading source of the confusion. Our presentations may not be heretical, but they are sometimes misleading. The idea of asking Jesus into your heart or giving your life to Jesus often gives false assurance to those who are not saved and keeps those who genuinely are saved from fully embracing that reality. Greear unpacks the doctrine of assurance, showing that salvation is a posture we take to the promise of God in Christ: a posture that begins at a certain point and is maintained for the rest of our lives. He also answers the tough questions about assurance: What exactly is faith? What is repentance? Why are there so many warnings that seem to imply we can lose our salvation? Such issues are handled with respect to the theological rigors they require, but Greear never loses his pastoral sensitivity or a communication technique that makes this message teachable to a wide audience, from teens to adults. The Gospel-Driven Church Jared C. Wilson, 2019-03-12 Many evangelical churches face the problem of the open back door, even as new people arrive and older members are leaving, looking for something else. Combined with this problem is the discipleship

deficit the difficult truth that most evangelicals are not reaching the unchurched at the rates they think they are In fact many of the metrics that we often count in the church to highlight success really don't tell us the full story of a church's spiritual state Things like attendance decisions dollars and experiences can tell us something about a church but not everything To cultivate a spiritually healthy church we need a shift in our metrics a grace shift that prioritizes the work of God in the lives of people over numbers and dollars Are people growing in their esteem for Jesus Is there a dogged devotion to the Bible as the ultimate authority for life Is there a growing interest in theology and doctrine A discernible spirit of repentance And perhaps most importantly is there evident love for God and for our neighbors in the congregation Leading a church culture to shift from numerical success to the metrics of grace can be costly but leaders who have conviction courage and commitment can lead while avoiding some of the landmines that often destroy churches Wilson includes diagnostic questions that will help leaders measure and lead team transparency in measuring as a group the relative spiritual health of their church as well as a practical prescriptive plan for implementing this metric measuring strategy without becoming legalistic Most attractive church models can lean heavily on making changes to the weekend worship gatherings And while some of these changes can be good thriving grace focused churches are driven by a commitment to the gospel allowing the gospel to inform and shape the worship service and the various ministries of the church Gospel-Centered Discipleship (Foreword by Matt Chandler)

Jonathan K. Dodson, 2022-03-03 A Gospel Rich Reproducible Model for Making Disciples as Jesus Intended Biblical discipleship emphasizes encouragement repentance and spiritual growth essential parts of the Christian life However well meaning believers often struggle to follow Jesus unaware their views are too legalistic licentious or individualistic How can churches and Christians develop a healthy successful path to disciple making In this second edition of Gospel Centered Discipleship Jonathan Dodson presents an effective Spirit led model for sanctification Reminding readers that real discipleship is imperfect yet transformational Dodson encourages Christians to engage more authentically with others as they grow in faith Drawing from his own failures and successes while following Jesus Dodson defines discipleship describes the heart of a disciple and gives practical guidance for mentor and peer based discipleship as Jesus intended Revised and Expanded Includes three new chapters and new illustrations Applicable Shows how discipleship can be practical and gospel centered Theological Addresses the Holy Spirit's involvement in discipleship Foreword by Matt Chandler Author of The Explicit Gospel **Gospel-Centered Youth Ministry** Cameron Cole, Jon Nielson, 2016-02-12 Youth ministry is an essential part of most evangelical churches And yet there is a surprising lack of resources written specifically for youth workers focused on viewing all aspects of youth ministry through a gospel focused lens Featuring contributions from a host of experienced youth workers from a wide variety of churches this how to manual offers guidance related to every facet of youth ministry from planning short term mission trips to working with parents Theologically rooted yet eminently practical this handbook will equip youth leaders to effectively shepherd the young people under their care training them to live faithfully in

their homes churches and schools **Evangelical Study Bible: Christ-centered. Faith-building. Mission-focused.** (NKJV) Thomas Nelson, 2023-05-09 Be refreshed by the power and beauty of faithful Christ centered teaching Engage the issues of today Build a firm foundation for this generation and the next To be an evangelical is to believe in life changing truth it is to believe that the Bible not only gives us the key to eternal life in Jesus but also the way to live today This is news worth sharing But how do we do this in a rapidly changing culture that appears to be shifting from a general disinterest in the gospel to a more active opposition to it When it feels like our faith is being challenged in every area how should we respond The Evangelical Study Bible will rejuvenate your faith through the unchanging truth of the gospel With verse by verse commentary and interesting sidebars that dig deeper into the historical and contextual background of Scripture it will help you grow in your understanding and appreciation of the life changing truths of the Christian faith Also included are more than fifty articles designed to help you better understand your faith and effectively share it with others Many of these articles address the most pressing issues of our day equipping you to engage others with confidence and laying a foundation of truth for the next generation Features include Commentary articles notes and word studies developed in partnership with scholars from Liberty University's School of Divinity Verse by verse commentary on the entire Bible for a better understanding of the passage being read Over 200 short articles on Christian teachings and doctrine for a systematic study of themes in God's Word 100 articles to equip readers to navigate the cultural engagement issues of today 100 cultural background notes help you relate to how people lived in Bible times 100 archeological notes draw attention to biblical places and related archeological discoveries 550 Word Studies to explore key terms of the Bible Biographies of 150 biblical figures give overviews of key men and women in the Bible Full color maps charts and family trees for a visual representation of concepts and where key events in the Bible took place Book introductions with outlines and reading plans provide a concise overview of the background and historical context of the book about to be read Topical indexes make it easy to find important topics in Scripture Extensive cross references drawing connections between texts Concordance provides an alphabetical listing of important passages by key words Large Print 10 5 point NKJV Comfort Print **Serving a Movement** Timothy Keller, 2016-03-15 In *Serving a Movement* best selling author and pastor Timothy Keller looks at the nature of the church's mission and its relationship to the work of individual Christians in the world He examines what it means to be a missional church today and how churches can practically equip people for missional living Churches need to intentionally cultivate an integrative ministry that connects people to God to one another to the needs of the city and to the culture around us Finally he highlights the need for intentional movements of churches planting new churches that faithfully proclaim God's truth and serve their communities This new edition contains the third section of *Center Church* in an easy to read format with new reflections and additional essays from Timothy Keller and several other contributors *The Missions and Missional Purpose of Ephesians* Timothy A. van Aarde, 2023-01-12 The purpose of the letter to the Ephesians is unknown The book suggests that

the purpose of Ephesians is about missions and being missional The author of Ephesians committed the task of missions to the church The author located the mission of the church in the redemptive plan of God The redemptive plan oikonomia of God consists of historical epochs of missions the mission of Israel the mission of Christ the mission of the disciples the mission of the apostles and the mission of the church The term missional has been used ambiguously The existence of a distinction between the mission of the church and missional church is demonstrated and both expressions of mission are grounded in the biblical text of Ephesians The mission of the church is grounded in an exposition of Eph 1 3 and the missional church is grounded in an exposition of Eph 4 6 The author of the letter intended for the mission to the nations to be continued by the church this is the mission of the church He intended for the members of the church to continue to reach out to their local community this is expressed by the missional church The mission of the church has been grounded in the Great Commission The missional church is grounded in the values morals and lifestyle principles set out in Eph 4 6

The Forgotten Ways Alan Hirsch, 2009-04-01 Alan Hirsch is convinced that the inherited formulas for growing the Body of Christ do not work anymore And rather than relying on slightly revised solutions from the past he sees a vision of the future growth of the church coming about by harnessing the power of the early church which grew from as few as 25 000 adherents in AD 100 to up to 20 million in AD 310 Such incredible growth is also being experienced today in the church in China and other parts of the world How do they do it The Forgotten Ways explores the concept of Apostolic Genius as a way to understand what caused the church to expand at various times in history interpreting it for use in our own time and place From the theological underpinnings to the practical application Hirsch takes the reader through this dynamic mixture of passion prayer and incarnational practice to rediscover the dormant potential of the modern church in the West
