*Ask and You Shall Receive* Celestino de Ávila, *Ask and You Shall Receive* is more than a proposal for reflection on the greatest statements ever made about the potential of the human soul it is an invitation to total and absolute change In our current world where we live in an increasingly challenging increasingly competitive world where we are constantly subjected to a series of stressful and worrying situations each person needs to find the strength not only to survive but to overcome evolve and build a more stable and secure life for themselves and their loved ones Jesus said You will know the truth and the truth will set you free His words are an accusation that we do not know the truth and that we are not truly free beings Indeed we can truly define ourselves as beings who live in great worry fear of getting sick losing our jobs being alone fear of the future among other phobias The fact is we do live under constant stress which affects our health our

emotional state and our mental and psychological conditioning Who among us is truly fulfilled who is truly the person we would like to be to have what we would like to have to do what we would like to do The truth is that the vast majority of people merely survive fearful and worried about their future and that of those dear to them those who depend on them But the enlightened Master also stated several times All things are possible to him who believes ask and you shall receive His words are wise and powerful they elevate every human being to the status of a true child of God and not a worried fearful begging being begging not to be struck by situations that would place them in greater difficulties Jesus goal was always to lead each person toward the light to see their relationship with the FATHER the Supreme and Absolute Being sustainer of all existence throughout the universe Jesus always invited each being to find the Kingdom of God within themselves that is to find their peace their mental emotional psychological and physical balance within themselves within their consciousness within their self The statement Ask and You Shall Receive is very powerful it is liberating and it can lead each person to the construction of paradise here on earth But the vast majority of people are unaware of this power failing to recognize themselves as creatures born of the Infinite Power which is God The purpose of this work is not to promote a magical transformation but to propose a reflection on the clearest and most powerful teachings ever given by anyone in our world Each person supported by the power of their intelligence will be able to make an unbiased analysis free from corrosive and harmful influences and conclude for themselves about the precious truths left by the wisest and purest being who ever visited our world Ask and You Shall Receive is an invitation for each person to dedicate an hour perhaps two to reflect and analyze why Jesus would speak and affirm repeatedly that each being is capable of doing anything if not so that each person could free themselves from everything that limits them and worries them Why did Jesus through his words elevate each person to the condition of doing works even greater than those he did In the pages of this work we dedicate ourselves to analyzing and reflecting on the powerful statements made by the Holy Master and how they are the gateway to a more successful fuller and more fulfilled life in all layers of our existence *The Leader's Change Handbook* Jay A. *New Dawn* Christopher Lapides, 2020-09-26 In war no one is safe War has come to Thornstone Tarkin's Point and Thoriddon throwing all three nations into chaos Led by the demon lord Vagborar the legions of orcs are bent on nothing less than the total annihilation of both human and dwarf With their demonic allies they just might succeed But not without a fight As Serena tries to find answers and a path to victory Orin and Brom fight with both sword and spell to turn back the tide of darkness Beside them are a kingdom of dwarves and a city of humans but even they may not be enough to beat back such a force If they hope to survive they need to come together but with each nation under siege uniting as one is easier said than done When one of them is freed from battle hope is rekindled but prejudices rise to the surface threatening everything If any of them hope to survive past actions and old hatreds must be forgotten Hard decisions and painful sacrifices must be made And pride and egotism must be set aside for the greater good If not a new age of evil will dawn upon the world
