star When a freakish injury ends his pitching career Peter has some major things to figure out Is there life after sports Why has his grandfather suddenly given him thousands of dollars worth of camera equipment And is it his imagination or is the super hot star of the girls swim team flirting with him right in front of the amazing new girl in his photography class In his new novel teen author Jordan Sonnenblick performs his usual miraculous feat exploring deep themes of friendship romance family and tragedy while still managing to be hilariously funny

Handbook of Behavioral Medicine Andrew

Steptoe,2010-09-27 Behavioral medicine emerged in the 1970s as the interdisciplinary field concerned with the integration of behavioral psychosocial and biomedical science knowledge relevant to the understanding of health and illness and the application of this knowledge to prevention diagnosis treatment and rehabilitation Recent years have witnessed an enormous diversification of behavioral medicine with new sciences such as genetics life course epidemiology and new technologies such as neuroimaging coming into play This book brings together such new developments by providing an up to date compendium of methods and applications drawn from the broad range of behavioral medicine research and practice The book is divided into 10 sections that address key fields in behavioral medicine Each section begins with one or two methodological or conceptual chapters followed by contributions that address substantive topics within that field Major health problems such as cardiovascular disease cancer HIV AIDs and obesity are explored from multiple perspectives The aim is to present behavioral medicine as an integrative discipline involving diverse methodologies and paradigms that converge on health and well being

Behavioral Medicine John S. Wodarski,2009-04-03 Behavioral Medicine discusses the composition of effective psycho social treatment and presents a cost analysis of social work and its services It also outlines the abilities of an effective behavioral social worker and looks at the key impact areas for a behavioral health model

Behavioral Medicine and

Developmental Disabilities James K. Luiselli,2012-12-06 As a graduate student a decade ago I recall vividly reading the inaugural issue of the Journal of Behavioral Medicine when it appeared in 1978 Its purpose was described as a broadly conceived interdisciplinary publication devoted to furthering our understanding of physical health and illness through knowledge and techniques of behavioral science The articles in that first issue addressed such topics as the biofeedback treatment of neuromuscular disorders anxiety management of Type A behavior and premorbid psychological factors related to cancer incidence At that time coursework in behavioral medicine was in its infancy at my university and I along with many classmates was eager to learn more of this new and emerging field Thinking back to those times it is astonishing for one to reflect on the rapid evolution of behavioral medicine and its current status as a clinical and scientific discipline Organizations such as the Society of Behavioral Medicine now include a broad based membership that is convened yearly at a major convention In addition to the Journal of Behavioral Medicine professionals can avail themselves of several other specialty journals Annals of Behavioral Medicine Behavioral Medicine Abstracts Journal of Developmental and Behavioral Pediatrics as well as the numerous articles on behavioral medicine that appear regularly in the clinical psychology psychiatry

rehabilitation and behavior therapy literature And behavioral medicine services and training programs are encountered with increasing frequency within clinic hospital and academic settings The Handbook of Behavioral Medicine David I. Mostofsky, 2014-03-25 Handbook of Behavioral Medicine presents a comprehensive overview of the current use of behavioral science techniques in the prevention diagnosis and treatment of various health related disorders Features contributions from a variety of internationally recognized experts in behavioral medicine and related fields Includes authors from education social work and physical therapy Addresses foundational issues in behavioral medicine in Volume 1 including concepts theories treatments doctor patient relationships common medical problems behavioral technologies assessment and methodologies Focuses on medical interface in Volume 2 including issues relating to health disorders and specialties social work medical sociology and psychosocial aspects and topics relating to education and health 2 Volumes
