Small Arms Mia Bloom, 2019-05-15 Why do terrorist organizations use children to support their cause and carry out their activities Small Arms uncovers the brutal truth behind the mobilization of children by terrorist groups Mia Bloom and John Horgan show us the grim underbelly of society that allows and even encourages the use of children to conduct terrorist activities They provide readers with the who what when why and how of this increasingly concerning situation illuminating a phenomenon that to most of us seems abhorrent And yet they argue for terrorist groups the use of children carries many benefits Children possess skills that adults lack They often bring innovation and creativity Children are in fact a superb demographic from which to recruit if you are a terrorist Small Arms answers questions about recruitment strategies and tactics determines what makes a child terrorist and what makes him or her different from an adult one and charts the ways in which organizations use them The unconventional focus on child and youth militants allows the authors to in essence give us a biography of the child terrorist and the organizations that use them We are taken inside the mind of the adult and the child to witness that which perhaps most scares us Annual Index ,2000 **The Guardian Index** ,2002 The Times Index ,1999 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement and the Times higher education supplement *The New York Times Index* ,2002 **Chicago Tribune Index** ,1999
