**Michael Brown**

## **Behind Enemy Lines A Field Manual For Gods Army:**

**Behind Enemy Lines** Chuck Dean,1997     *PREPARING THE ARMY OF GOD - A Basic Training Manual For Spiritual Warfare* Patrick J. Hession,2016-04-14 You are involved in a war not of your own choosing but one that is having a profound and personal effect on you What you do about it will determine where and how you will spend eternity You must choose sides but you cannot avoid the war On the basis of your choice you will become a winner or a loser This book is designed to prepare and equip you for that war     **Subject Guide to Books in Print** ,1997     **The Civil War Trilogy 3-Book Boxset (Gods and Generals, The Killer Angels, and The Last Full Measure)** Jeff Shaara,Michael Shaara,2012-04-09 Michael Shaara reinvented the war novel with his Pulitzer Prize winning masterpiece of Gettysburg The Killer Angels Jeff Shaara continued his father s legacy with a series of centuries spanning New York Times bestsellers Together at last in eBook form this volume assembles three Civil War novels from America s first family of military fiction Gods and Generals The Killer Angels and The Last Full Measure Gods and Generals traces the lives passions and careers of the great military leaders Thomas Stonewall Jackson Winfield Scott Hancock Joshua Chamberlain from the gathering clouds of war The Killer Angels re creates the fight for America s destiny in the Battle of Gettysburg the four most bloody and courageous days of our nation s history And The Last Full Measure brings to life the final two years of the Civil War chasing the escalating conflict between Robert E Lee and Ulysses S Grant complicated heroic and deeply troubled men through to its riveting conclusion at Appomattox Contains a preview Jeff Shaara s new novel of the Civil War A Blaze of Glory Praise for Michael Shaara and Jeff Shaara s Civil War trilogy Brilliant does not even begin to describe the Shaara gift The Atlanta Journal Constitution Shaara s beautifully sensitive novel delves deeply in the empathetic realm of psycho history where enemies do not exist just mortal men forced to make crucial decisions and survive on the same battlefield San Francisco Chronicle on Gods and Generals Remarkable a book that changed my life I had never visited Gettysburg knew almost nothing about that battle before I read the book but here it all came alive Ken Burns on The Killer Angels The Last Full Measure is more than another historical novel It is rooted in history but its strength is the element of humanity flowing through its characters The book is compelling easy to read well researched and written and thought provoking In short it is everything that a reader could ask for Chicago Tribune     **To the Fire of Normandy and Beyond** Frank Kozol,2017-06-27 Frank Kozol Paul Kramer who served in the U S Army during WWII is the eyes and ears for the reader on what it was like to leave home and go off to War While he s changed the names of the people he served with everything he writes about is true As he takes the reader on his journey to serve his country from leaving his family and neighborhood for Registration to returning as an honorably discharged WWII veteran the author describes his day to day adventures which lead to unexpected service for the US Army behind enemy lines embedded with the French Resistance He describes his friendships his day to day activities as an army medic and working with the French Resistance during the war Kozol must draw upon his patriotism loyalty character and apply the values he

was taught as a child to the challenging circumstances of war in order to survive This book conveys a captivating true story by one of the many heroic soldiers protecting our country during WWII from a perspective that has rarely been seen or told This is the adventure of one man's war time journey to The Fire of Normandy and Beyond **Contemporary Europe in the Historical Imagination** Darcy Buerkle, Skye Doney, 2023-06-27 George L Mosse 1918-99 was one of the most influential cultural and intellectual historians of modern Europe In *Contemporary Europe in the Historical Imagination* an international assembly of leading scholars explore Mosse's enduring methodologies in German studies and modern European cultural history Considering Mosse's life and work historically and critically the book begins with his intellectual biography and goes on to reread his writings in light of historical developments since his death and to use extend and contend with Mosse's legacy in new contexts he may not have addressed or even foreseen The volume wrestles with intertwined questions that continue to emerge from Mosse's pioneering research including What role do sexual and racial stereotypes play in European political culture before and after 1945 How are gender and Nazi violence bound together Importantly the contributors pose questions that are inspired by Mosse's work but that he did not directly examine For example to what extent were Nazism and Italian Fascism colonial projects How have popular radical right parties reinforced and reimagined ethnonationalism and nativism Much like Mosse's own work the chapters in this book inspire new interventions into the history of gender and sexuality Jewish identity during the rise of the Third Reich and the many reincarnations of fascist pageantry and mass politics
