The Honourable Ladies Iain Dale, Jacqui Smith, 2019-11-14 Biteback Publishing is delighted to announce a major new project a two volume series of biographies of every female MP ever to be elected to the House of Commons When Constance Markievicz stood for election as MP for Dublin St Patrick's in 1918 few people believed she could win the seat yet she did A breakthrough in the bitter struggle for female enfranchisement had come earlier that year followed by a second landmark piece of legislation allowing women to be elected to Parliament and Markievicz duly became the first woman MP A member of Sinn Féin she refused to take her seat She did however pave the way for future generations and only eleven months later Nancy Astor entered the Commons A century on from that historic event 491 women have now passed through the hallowed doors of Parliament Each one of these pioneers has fought tenaciously to introduce enduring reform and in doing so has helped revolutionise Britain's political landscape ensuring that women's contributions are not consigned to the history books Containing profiles of all 287 woman MPs from 1997 to 2019 and with female contributors from Mary

Beard to Caroline Lucas Ruth Davidson to Yvette Cooper and Margaret Beckett to Ann Widdecombe The Honourable Ladies Volume II is an indispensable and illuminating testament to the stories and achievements of these remarkable women
