This completely jargon-free handbook will put you in complete control of the ways and means of a truly exciting and powerful suite of business intelligence tools. Discover how to make business decisions with help from BusinessObjects. Use BusinessObjects XI wizards. Perform a server installation. Create and define a Universe. Set up desktop reporting. Customize and use InfoView. Measure performance with Dashboard and Analytics. Take advantage of data marts and understand how they fit into your BusinessObjects system. Created by a team with more than 15 years combined experience working with BusinessObjects tools. BusinessObjects XI Release 2 For Dummies comes complete with several short lists of useful information including tips on how to prepare for a successful BusinessObjects integration and helpful resources beyond the pages of this book. You'll also find an overview of Crystal Reports, BusinessObjects companion reporting tool. [Crystal Reports XI Official Guide](#) Neil FitzGerald, et al., 2006-11-01 The authorized guide to the latest edition of the 1 business intelligence software product Crystal Reports. More than 16 million licenses of Crystal Reports have been shipped to date. This book is a reference designed to provide hands-on guidance for the latest release of the product suite. The latest version of Crystal Reports and the Business Objects enterprise reporting suite delivers vast product enhancements and a tighter integration that will drive upgrades from licensees. Brand new features e.g. Dynamic and Cascading Parameter Generation will also appeal to new audiences. Over 1 million new Business Intelligence licensees will be migrating to the Crystal Enterprise Reporting platform as this is the first release of the software with the existing Business Objects BO products being integrated into the Crystal infrastructure. As Business Objects insiders, the authors bring unique and valuable real-world perspectives on implementations and uses of the Crystal Reports product. The book also includes content, tutorials, and samples for reporting within the Microsoft Visual Studio .NET and J2EE development environments and also on top of the SAP Business Information Warehouse (BW) and the Peoplesoft platform. Advanced content on report distribution and integration into the secured managed reporting solution known as Business Objects Enterprise XI is also now included in this definitive user guide with coverage on the new Web Services SDK. **No Stress Tech Guide to Crystal Reports XI for Beginners** Indera Murphy, 2006-08 A self-paced visual guide to learning Crystal Reports.
