APPLIED PETROLEUM RESERVOIR ENGINEERING

THIRD EDITION

The background of the cover features a dark, textured upper section with faint technical diagrams. Below this, a horizontal band shows a cross-section of a geological reservoir with various rock layers in shades of blue, grey, and brown. Two oil well structures are visible: one on the left and a larger, more detailed one on the right that extends from the reservoir section up into the dark upper section. The title 'Solution Manual' is overlaid in large, bold, yellow letters across the reservoir section.
