Action Ethics And Responsibility Action Ethics And Responsibility:

Action, Ethics, and Responsibility Joseph Keim Campbell, Michael O'Rourke, Harry S. Silverstein, 2010-10-08 Leading philosophers explore responsibility from a variety of perspectives including metaphysics action theory and philosophy of law Most philosophical explorations of responsibility discuss the topic solely in terms of metaphysics and the free will problem By contrast these essays by leading philosophers view responsibility from a variety of perspectives metaphysics ethics action theory and the philosophy of law After a broad framing introduction by the volume's editors the contributors consider such subjects as responsibility as it relates to the free will problem the relation between responsibility and knowledge or ignorance the relation between causal and moral responsibility the difference if any between responsibility for actions and responsibility for omissions the metaphysical requirements for making sense of collective responsibility and the relation between moral and legal responsibility The contributors include such distinguished authors as Alfred R Mele John Martin Fischer George Sher and Frances Kamm as well as important rising scholars Taken together the essays in Action Ethics and Responsibility offer a breadth of perspectives that is unmatched by other treatments of the topic Contributors Joseph Keim Campbell David Chan Randolph Clarke E J Coffman John Martin Fischer Helen Frowe Todd Jones Frances Kamm Antti Kauppinen Alfred R Mele Michael O'Rourke Paul Russell Robert F Schopp George Sher Harry S Silverstein Saul Smilansky Donald Smith Charles T Wolfe Revisiting Max Weber's Ethic of Responsibility Etienne de Villiers, 2018-02-20 To what extent could Max Weber's ethic of responsibility serve as a model for us today An adequate answer to this question could only be given on the basis of a satisfactory interpretation and thorough assessment of his ethic of responsibility In this monograph Etienne de Villiers sets himself the task of doing just that He establishes that in spite of serious shortcomings Weber's ethic points to the contemporary need for an ethic of responsibility as a second level normative ethical approach that would address the undermining effect of modernisation on ethical living Such a contemporary ethic of responsibility would provide guidelines on how ethical living could be responsibly enhanced in our time The author also presents a brief proposal on how a contemporary ethic of responsibility might be designed The Routledge Handbook on Responsibility in International Relations Hannes Hansen-Magnusson, Antje Vetterlein, 2021-07-29 What does responsibility mean in International Relations IR This handbook brings together cutting edge research on the critical debates about responsibility that are currently being undertaken in IR theory This handbook both reflects upon an emerging field based on an engagement in the most crucial theoretical debates and serves as a foundational text by showing how deeply a discussion of responsibility is embedded in broader questions of IR theory and practice Contributions cover the way in which responsibility is theorized across different approaches in IR and relevant neighboring disciplines and demonstrate how responsibility matters in different policy fields of global governance Chapters with an empirical focus zoom in on particular actor constellations of emerging states international organizations political movements or corporations or address how

responsibility matters in structuring the politics of global commons such as oceans resources or the Internet Providing a comprehensive overview of IR scholarship on responsibility this accessible and interdisciplinary text will be a valuable resource for scholars and students in many fields including IR international law political theory global ethics science and technology area studies development studies business ethics and environmental and security governance *Responsibility and Christian Ethics* William Schweiker,1999-03-11 Schweiker develops a powerful new theory of responsibility articulated in terms of Christian faith **An Ethic of Responsibility in International Relations** Daniel Warner,1991 Questioning many of the traditional assumptions found in discussions of ethics in international relations Warner introduces a new way of thinking about moral responsibility and invites reflection on the nature of communities and states **Nursing Ethics and Professional Responsibility in Advanced Practice** Pamela June Grace,2017-02-17 Nursing Ethics and Professional Responsibility in Advanced Practice Third Edition remains the only comprehensive textbook available on the ethical issues faced by APNs giving front line care It is a critically important resource for students preparing for advanced practice and nursing leadership in both the United States and around the world The author demystifies the principles and language of healthcare ethics Beginning from a foundation of nursing practice she guides students in developing ethical decision making skills they can apply to a range of circumstances from everyday issues to complex dilemmas The Third Edition reflects recent changes in the healthcare environment including biotechnological advances sociological movements and economic conditions From publisher s description **Nursing Ethics and Professional Responsibility in Advanced Practice** Pamela J. Grace,Melissa K. Uveges,2022-08-08 Nursing Ethics and Professional Responsibility in Advanced Practice Fourth Edition remains the only comprehensive textbook available on the ethical issues faced by APNs providing front line care It introduces the foundations of professional responsibility and makes difficult philosophical and ethical concepts accessible to students so they can facilitate their own ethical decision making The authors an APN and ethicist demystifies the principles and language of healthcare ethics Beginning from a foundation of nursing practice this unique resource guides students in developing ethical decision making skills they can apply to a range of circumstances from everyday issues to complex dilemmas The updated Fourth Edition features expanded information on social justice including advocacy for vulnerable populations and global issues as well as new discussions on managing social media electronic health records and ethical issues specific to CRNAs and CNSs *Nursing Ethics and Professional Responsibility in Advanced Practice* Pamela Grace,2009-10-07 Nursing Ethics and Professional Responsibility in Advanced Practice equips healthcare professionals with the tools they need to address the ethically complex issues they face in daily practice both across specialty areas as well as within an area of specialty practice This unique and comprehensive resource provides a philosophical base for professional responsibility it explains complex ethical ideas in accessible terms and presents contemporary examples from actual practice The book presents ethical issues across a variety of interests with topics ranging from the nature and source of human rights social

justice human subjects research acute care practice and primary care to contemporary content in gerontology and end of life care *Hans Jonas's Ethic of Responsibility* Theresa Morris,2013-11-01 Despite his tremendous impact on the German Green Party and the influence of his work on contemporary debates about stem cell research in the United States Hans Jonas s 1903 1993 philosophical contributions have remained partially obscured In particular the ontological grounding he gives his ethics based on a phenomenological engagement with biology to bridge the is ought gap has not been fully appreciated Theresa Morris provides a comprehensive overview and analysis of Jonas s philosophy that reveals the thread that runs through all of his thought including his work on the philosophy of biology ethics the philosophy of technology and bioethics She places Jonas s philosophy in context comparing his ideas to those of other ethical and environmental philosophers and demonstrating the relevance of his thought for our current ethical and environmental problems Crafting strong supporting arguments for Jonas s insightful view of ethics as a matter of both reason and emotion Morris convincingly lays out his account of the basis of our responsibilities not only to the biosphere but also to current and future generations of beings

Responsibility in Science and Technology Simone Arnaldi, Luca Bianchi,2016-07-07 The present volume elucidates the scope of responsibility in science and technology governance by way of assimilating insights gleaned from sociological theory and STS and by investigating the ways in which responsibility unfolds in social processes Drawing on these theoretical perspectives the volume goes on to review a heuristic model of responsibility Such a model provides a simple tentative though no less coherent analytical framework for further examining the idea of responsibility its transformations configurations and contradictions
