Becoming The Sugarplum Fairy:

Becoming Sugar Plum Elizabeth Catlett, 2015-11-18 Before she ruled the Kingdom of Sweets as the Sugar Plum Fairy she was Princess Plum from Fairyland When the prince from the Land of Sweets finds that all of his dancing sweets have been stolen he calls upon the brave Princess Plum to help save his land Meet beautiful fairies like Reverie the dream fairy and watch out for the spooky shadows poison thistle berry bushes and King Dross the evil Goblin King Enjoy illustrations that make you feel as if you are watching a ballet on stage It is foretold that only Princess Plum can save the prince s sweets Will she be able to endure the obstacles ahead and complete her journey **Being a Ballerina** Gavin Larsen, 2021-04-27

Inspiring revealing and deeply relatable Being a Ballerina is a firsthand look at the realities of life as a professional ballet dancer Through episodes from her own career Gavin Larsen describes the forces that drive a person to study dance the daily balance that dancers navigate between hardship and joy and the dancer s continual quest to discover who they are as a person and as an artist Starting with her arrival as a young beginner at a class too advanced for her Larsen tells how the embarrassing mistake ended up helping her learn quickly and advance rapidly In other stories of her early teachers training and auditions she explains how she gradually came to understand and achieve what she and her body were capable of Larsen then re creates scenes from her experiences in dance companies from unglamorous roles to exhilarating performances Working as a ballerina was shocking and scary at first she says recalling unexpected injuries leaps of faith and her constant struggle to operate at the level she wanted but full of enormously rewarding moments Larsen also reflects candidly on her difficult decision to retire at age 35 [The Ballet Lover's Companion](#) Zoë Anderson, 2015-01-01 Each chapter introduces a period of ballet history and provides an overview of innovations and advancement in the art form In the individual entries that follow Anderson includes essential facts about each ballet s themes plot composers choreographers dance style and music The author also addresses the circumstances of each ballet s creation and its effect in the theater and she recounts anecdotes that illuminate performance history and reception **Radio Drama** Tim Crook, 2002-01-04 Radio Drama brings together the practical skills needed for radio drams such as directing writing and sound design with media history and communication theory Challenging the belief that sound drama is a blind medium Radio Drama shows how experimentation in radio narrative has blurred the dividing line between fiction and reality in modern media Using extracts from scripts and analysing radio broadcasts from America Britain Canada and Australia the book explores the practicalities of producing drama for radio Tim Crook illustrates how far radio drama has developed since the first audiophonic production and evaluates the future of radio drama in the age of live phone ins and immediate access to programmes on the Internet

Ballet Confidential David McAllister, 2023-07-25 Beyond the formidable combination of tulle and lycra how much can an audience ever truly understand about the demands of being a ballet dancer What really is the pain and pleasure of pointe shoes and jockstraps Can a wardrobe malfunction derail a scene What happens when injury sidelines a principal dancer mid
