Bed Bath And Beyond Futon:

Letters to a Dead Friend about Zen Brad Warner, 2019-10-08 The night Brad Warner learns that his childhood friend Marky has died Warner is about to speak to a group of Zen students in Hamburg Germany It s the last thing he feels like doing What he wants to do instead is tell his friend everything he never said to explain Zen and what he does for a living and why he spends his time Sitting Sitting Sitting Meditating my life away as it all passes by Lighting candles and incense Bowing to nothing So as he continues his teaching tour through Europe he writes to his friend all the things he wishes he had said Simply and humorously he reflects on why Zen provided him a lifeline in a difficult world He explores grief attachment and the afterlife He writes to Marky I m not all that interested in Buddhism I m much more interested in what is true and then proceeds to poke and prod at that truth The result for readers is a singular and winning meditation on Zen and a unique tribute to both a life lost and the one Warner has found

The Wonder Garden Lauren Acampora, 2015-05-05 In 13 sharply drawn linked stories Acampora reveals the complexities beneath the polish and privilege of a prosperous Connecticut town People A man strikes an under the table deal with a surgeon to spend a few quiet seconds closer to his wife than he s ever been a young soon to be mother looks on in paralyzing astonishment as her husband walks away from a twenty year career in advertising at the urging of his spirit animal an elderly artist risks more than he knows when he s commissioned by his newly arrived neighbors to produce the work of a lifetime In her stunning debut collection *The Wonder Garden* Lauren Acampora brings to the page with enchanting realism the myriad lives of a suburban town and lays them bare These linked stories take a trenchant look at the flawed people of Old Cranbury incisive tales that reveal at each turn the unseen battles we play out behind drawn blinds the creeping truths from which we distract ourselves and the massive dreams we haul quietly with us and hold close Deliciously creepy and masterfully complex *The Wonder Garden* heralds the arrival of a phenomenal new talent in American fiction Like Wharton Acampora seems to understand fiction as a kind of elegant design The New York Times Book Review Acampora is a brilliant anthropologist of the suburbs *The Wonder Garden* is reminiscent of John Cheever in its anatomizing of suburban ennui and of Ann Beattie in its bemused dissection of a colorful cast of eccentrics Boston Globe Intelligent unnerving and very often strange as irresistible as it is disturbing Publishers Weekly starred review
