28 Days in Darkness Traver Boehm, 2015-08-26 Join Traver Boehm as he embarks on a profound 28 day initiation into darkness a journey that forever alters his perception of self and the world around him Through his lens you will learn how to embrace darkness break free from suffering find hope and reclaim your life In 2016 Traver Boehm voluntarily spent 28 straight days in a pitch black room utterly alone embarking on an inward journey that forever altered his perception of darkness For four weeks he couldn't see his hand an inch from his face voluntarily In 28 Days in Darkness he recounts this harrowing experience delving deep into his inner darkness and suffering and then emerging back into the world with profound insights But this book isn't just about Boehm's dark journey it's an invitation for you to explore your own darkness and uncover the gems hidden deep in the cave of your wounds And you don't have to sacrifice a month of your life to find them as he did This book serves to answer two fundamental questions How do you navigate life when everything falls apart What truths can only be discovered in the midst and aftermath of crisis In our culture we tend to shy away from darkness pain and challenge collectively seeking only love and light We medicate our discomfort hide behind our curated social media personas and avoid confronting the parts of ourselves we've deemed tainted and unworthy Yet we live in deeply troubled times that demand an evolved and holistic authenticity and that includes our personal and collective darkness This book provides a pathway to seek that fully realized authenticity 28 Days in Darkness doesn't just recount Boehm's heartbreak and pain it offers a road map for you to embrace your own devastation accept the parts of yourself that you pretend do not exist and find the truths that will finally set you free Each chapter will leave you with concrete steps you can take immediately to navigate your heartache anger grief and so much more This book is for you if you're tired of living behind rose colored glasses and crave the kind of authenticity power and connection that can't be found solely by looking upward and outside of yourself It's for brave souls willing to seek the real truth the kind you only find when things get dark
