

Dan De Quille's Early Comstock Accounts

Edited by Donnelyn Curtis & Lawrence I. Berkove

Before The Big Bonanza Dan De Quilles Early Comstock Accounts

Lei Shi

Before The Big Bonanza Dan De Quilles Early Comstock Accounts:

Before the Big Bonanza Lawrence I. Berkove,Donnelyn Curtis,2015 This may be the best discovery to come out of Nevada mining since the Big Bonanza vein itself Dan De Quille was the outstanding reporter of the Comstock Lode and almost anything he would have to say about it would be worth reading Michael Green *History of the Big Bonanza: An Account of Nevad's Silver Rush* Dan de Quille, The bare mention of a mine of silver calls up in most minds visions of glittering wealth and a world of romantic situations and associations All no doubt have read the story of the Indian hunter Diego Hualca who in the year 1545 discovered the world famous silver mine of Potosi Peru How while climbing up the face of a steep mountain in pursuit of a wild goat this fortunate hunter laid hold upon a bush in order to pull himself up over a steep ledge of rocks and how the bush was torn out by the roots when lo wonderful store of wealth was laid bare In the roots of the upturned bush and in the soil of the spot whence it was torn the eyes of the lone Indian hunter beheld masses of glittering silver Having all our lives had in mind this romantic story and having a thousand times pictured to ourselves the great shining lumps of native silver as they lay exposed in the black soil before that Indian who stood alone in a far away place on the wild mountain we are apt to imagine that something of the same kind is to be seen wherever a silver mine exists Besides we have all heard the stories told by the old settlers of the Atlantic States in regard to the wonderful mines of silver known to the Indians in early days Hardly a State in the Union but has its legend of a silver mine known to the red men when they inhabited the country This mine was pretty much the same in every State and in every region Upon the removal of a large flat stone an opening resembling the mouth of a cavern was seen Entering this you found yourself in a great crevice in the rocks and the sides of this crevice were lined with silver which you forthwith proceeded to hew and chip off with a hatchet kindly furnished you by your Indian guide You worked rapidly as according to contract you had but a limited time to remain in the mine When the Indian at your side announced your time up the tomahawk was taken from your hand even though you might have an immense mass detached save a mere clinging thread Only men who had saved the life of some Indian of renown were ever led to these silver caverns and they were invariably obliged to submit to be blindfolded so that none of them were ever able to find their way back to the mines they had been shown These and kindred stories have placed masses of native silver and deposits of rich ores of silver very near to the surface of the ground in the popular mind No doubt there are many places in the world where native silver exists almost upon the present surface as was the case in the Potosi mine in Peru and as was the case with the rich deposit of silver ore first found on the Comstock lode but those who visit the present mines of the Comstock will find little in them that at all agrees with their preconceived notions of silver mines On the surface they will find nothing that is glittering nothing that is at all romantic The soil looks much the same as in any other mountainous region and the rocks seem to have a very ordinary look to the inexperienced eye The general hue of the hills is a yellowish brown and all about through the rents in the ashen hued sagebrush which clothes the country peep jagged piles of granite the bones

of the land showing through its rags *Monumental Lies* Ronald M. James,2023-09-19 A playful embrace of tall tales and exaggeration *Monumental Lies* explores the evolution of folklore in the Wild West *Monumental Lies* Early Nevada Folklore of the Wild West opens the door to understanding how legends and traditions emerged during the first decades following the Rush to Washoe which transformed the region beginning in 1859 During this Wild West period there was widespread celebration of deceit manifesting in tall tales burlesque lies practical jokes and journalistic hoaxes Humor was central to these endeavors and practitioners easily found themselves scorned if they failed to be adequately funny This ethos became central to the way folklore emerged during the formative years of the Nevada territory and state The tens of thousands of people who came to the West attracted by gold and silver mining brought distinct cultural legacies The interaction of diverse perspectives even while new stories and traditions coalesced or simply appeared was a complex process Author Ronald M James addresses how the fluidity of the region affected new expressions of folklore as they took root Mark Twain often a go to source for collections of early tall tales of this region cannot be overlooked but his interaction with local traditions was specific and narrow More importantly William Wright publishing as Dan De Quille arose as a key collector of legends a counterpart of early European folklorists With a bedrock understanding of what unfolded in the nineteenth century it is possible to consider **Sale Catalogues** American Art Association, Anderson Galleries (Firm),inc American art association Aderson galleries,1922 *From San Francisco Eastward* Carolyn Grattan Eichin,2020-02-12 Finalist for the 2021 Willa Literary Award in Scholarly Non Fiction Finalist for the 2021 Will Rogers Medallion Award in Western Non Fiction Carolyn Grattan Eichin s *From San Francisco Eastward* explores the dynamics and influence of theater in the West during the Victorian era San Francisco Eichin argues served as the nucleus of the western theatrical world having attained prominence behind only New York and Boston as the nation s most important theatrical center by 1870 By focusing on the West s hinterland communities theater as a capitalist venture driven by the sale of cultural forms is illuminated against the backdrop of urbanization Using the vagaries of the West s notorious boom bust economic cycles Eichin traces the fiscal demographic and geographic influences that shaped western theater With an emphasis on the 1860s and 70s this thoroughly researched work uses distinct notions of ethnicity class and gender to examine a cultural institution driven by a market economy *From San Francisco Eastward* is a thorough analysis of the ever changing theatrical personalities and strategies that shaped Victorian theater in the West and the ways in which theater as a business transformed the values of a region **Moon Nevada** Scott Smith,2018-06-05 Whether you re an adventure junkie road tripper or card shark Nevada has something for you Pull off the perfect trip to the Silver State with *Moon Nevada* Inside you ll find Strategic itineraries for road trippers campers skiers and more The best road trips through Nevada from three days on the loneliest road in America to a week covering Death Valley and the Extraterrestrial Highway plus detailed information on travel times distances and directions The top sights and unique experiences Explore caves and glaciers at Great Basin National Park or go fishing swimming or

boating on Lake Tahoe or Lake Mead Marvel at the Hoover Dam camp at a secluded alpine lake and experience the authentic Wild West in a ghost town saloon Try your hand at a slot machine and eat your way through an epic Las Vegas buffet or visit one of Nevada's major festivals and shop for local turquoise jewelry in a Gold Rush town Local tips from longtime Nevadan Scott Smith on where to stay when to go and how to get around plus advice for families with children and travelers with disabilities Full color photos and detailed maps throughout Thorough background information on the landscape climate wildlife and local culture Focused coverage of Reno Las Vegas Death Valley Tahoe Central Nevada Elko the Ruby Mountains and more With Moon Nevada's practical tips and local insight you can plan your trip your way Spending more time at the lake Try Moon Tahoe Headed to the parks Try Moon Yosemite National Park or Moon Death Valley National Park **Jim**

Shelley Fisher Fishkin, 2025-04-15 The origins and influence of Jim Mark Twain's beloved yet polarizing literary figure Mark Twain's Jim introduced in *Adventures of Huckleberry Finn* 1885 is a shrewd self-aware and enormously admirable enslaved man one of the first fully drawn Black fathers in American fiction Haunted by the family he has left behind Jim acts as father figure to Huck the white boy who is his companion as they raft the Mississippi toward freedom Jim is also a highly polarizing figure he is viewed as an emblem both of Twain's alleged racism and of his opposition to racism a diminished character inflected by minstrelsy and a powerful challenge to minstrel stereotypes a reason for banning *Huckleberry Finn* and a reason for teaching it an embarrassment and a source of pride for Black readers Eminent Twain scholar Shelley Fisher Fishkin probes these controversies exploring who Jim was how Twain portrayed him and how the world has responded to him Fishkin also follows Jim's many afterlives in film from Hollywood to the Soviet Union in translation around the world and in American high school classrooms today The result is Jim as we have never seen him before a fresh and compelling portrait of one of the most memorable Black characters in American fiction **Wicked Virginia City** Peter B. Mires, 2020-10-05 Perched on the side of a mountain in the Nevada desert Virginia City existed for one reason only to make money The mining frenzy of the mid nineteenth century uncovered veins of precious metals that would be expressed in billions today attracting the enterprising madam Cad Thompson the charismatic highwayman Nickanora and a plethora of swindlers Miners flush with their wages supported a healthy economy of gambling drinking and prostitution and even launched a few political careers Sam Clemens who became Mark Twain while reporting for the Virginia City Territorial Enterprise called it the liveliest town that America had ever produced Join author Peter B. Mires as he explores the seamy side of this quintessential mining boomtown **Literary Nevada** Cheryll Glotfelty, 2016-06-01 Over 200 writings about Nevada with selections from Native American tales to contemporary writings on urban experience and environmental concerns The state of Nevada embodies paradox and contradiction home to one of the fastest growing cities in the nation and to isolated ranches scattered across a sparsely populated backcountry Nevada is a place where the lust for sudden wealth has prompted both wild mining booms and glittering casinos and where forbidding atomic test sites coexist with alluring tourist meccas The variety and

distinctiveness of Nevada's landscape and peoples have inspired writers from the beginning of immigrant contact with the region. This contact has produced abundant literary wealth that includes the rich oral traditions of Native American peoples and an amazing spectrum of contemporary voices. *Literary Nevada* is the first comprehensive literary anthology of Nevada. It contains over 200 selections ranging from traditional Native American tales, explorers and emigrants' accounts and writing from the Comstock Lode and other mining boomtowns as well as compelling fiction, poetry and essays from throughout the state's history. There is work by well-known Nevada writers such as Sarah Winnemucca, Mark Twain and Robert Laxalt by established and emerging writers from all parts of the state and by some nonresident authors whose work illuminates important facets of the Nevada experience. The book includes cowboy poetry, travel writing, accounts of nuclear Nevada, narratives about rural life and urban life in Las Vegas and Reno, poetry and fiction from the state's best contemporary writers and accounts of the special beauty of wild Nevada's mountains and deserts. Editor Cheryll Glotfelty provides insightful introductions to each section and author. The book also includes a photo gallery of selected Nevada writers and a generous list of suggested further readings. Nevada has inspired an exceptionally rich panorama of fine writing and a dazzling array of literary voices. The selections in *Literary Nevada* will engage and delight readers while revealing the complex and exciting diversity of the state's history, people and life.
