## PHONICS: THE /ô/ SOUND

### WARM UP

Find and print the following pictures: lawn, straw, thought, crawl, and wrong. Put the pictures on the board and tell your students to guess what all the pictures have in common.

### "I DO"

Introduce the /ô/ sound to your students. Over-exaggerate the sound by opening your mouth wide where Ss can see how to position their mouths. It might help to tell them it's like the start of a yawn. You can show this by stretching and yawning.

### "WE DO"

Write the following list of words on the board (go green!) or distribute paper lists and have Ss try to pronounce them. Let them work in groups first and then go through it as a class. Use fewer words if your class is absolute beginners.

lawn, thought, fought, raw, straw, lawn, bought, crawl, brought, awful, caught, wrong, already, taught, often, fault, autumn, daughter, automobile, all right

### "YOU ALL DO"

Have students practice the /ô/ sound by playing a game of bingo, matching pictures to sounds, spelling on the board (race against teams), or anything else you can think of!

### "YOU DO"

To test your students, call on them individually and point to words quickly and at random for them to pronounce. The point is fluency so you want speed and accuracy. If they get it right you can go "Ding! Ding!" If they get it wrong, make a buzzer sound and let them try again.
